SADIE and PAUL

SWANNANOA, N. C.

By Joce Creasman

I take pleasure in sending the following news of my community.

The past week at the Bee Tree Christian Church, Mr. Jim Coggins has been holding a revival. Sixteen people were baptized yesterday afternoon at 3:0'clock. They were the following: Barbara Adams, Jimmy Adams, Fay Barlette, Kay Badlette, Tommy Elliton, Ann Coggins, Allen Coggins, Mary Brown, J. B. Robinson, Roy Sawyer, Sadie Sawyer, Gene Sawyer, Bett Sawyer, Pas Stevens and Sidney Bass.

Mr. and Mrs. James B. Adams of Swannanoa, N. C. have announced the birth of a son at Mission Hospital.

Mr. and Mrs. W. W. Alderman returned Thursday to home in Lakeland Fla. They have been spending the three months in Summer Heaven.

I think that Swannanoa's young people should have a recreation room or hall, of some sources. This would aid them, have them lead better lives. I would suggest that "The Buckner Building" would be grand for such a organization. Mrs. Horton of Swannanoa High School would be a good chairman. She understands children.

I would like to see this recreation Hall raise up in the community.

Mr. Editor, I think the town of Swannanoa should be cleaned up. Old building torn down and rebuilt again in a modern way instead of like you now find them standing. Swannanoa is a beautiful town. The Village is in our way a nice place, but the people are too close together. They don't have enough air and free room.

I think the Swannanoa township should have a public library to educate the people more.

Sir, I would like the Article put before the public, and let them see what things we really need.

Swannanoa and all other towns around here could use a lot of improvement one thing Swannanoa needs is to be incorporated which would help it a lot. In a town where you never see any Greeks or Jews, you can just say this town is not enough money circulating in the town. I do not mean there is no money in Swannanoa, because there is plenty of money in Swannanoa but it is not circulating enough, it just stays in one place.

We need more recreation in Swannanoa. Swannanoa could be a Boom Town if it would just let up a little we could have a bowling alley, and maybe a dance hall, where we could have a square dance once or twice a week. Of course a lot of people don't believe in dancing. I have nothing to say about them, but let them have what they want and let other people have what they want.

This is a free world and people have their own opinions about every thing. But I think that Swannanoa and this valley could be built up with a little more recreation.

I would like to tell you about the sports of Swannanoa School. We engage in a number of sports here particularly in softball, baseball, basketball, and football. Competition is carried on in this school between other schools of the county and state in these four sports. Football is the standout at this point, with Swannanoa facing a tough schedule. In three games this season, the latest of which was Friday, Swannanoa has won two games tied another between the strong Black Mountain eleven. The first game was against Warren Wilson Junior College, in which this school was the victor. The second played at Sand Hill High also showed Swannanoa at the top. The third, which was tied between the scrappy Black Mountain team truly gave fans their money's worth. Another tough game is expected when these two teams again meet in a few weeks on the Black Mountain gridiron.

TEEN AGE CANTEN

A Teen-Age Canteen was started last year and it went on very good for a while, but the members stopped coming and they had to close it. I think it should be opened so we would have a place for a better social life, and it offers food and recreation and builds up funds.

JOBS FOR SERVICE MEN

I believe this should come out in the paper about our service men returning without a job to go. I think something should be done about this situation, before anything else happens. Our boys fought for what they believe in they fought for freedom and now they return without jobs. Have our people forgot about this? Will there be another war? Who can answer these questions I believe we the people can answer this. We wanted a better world. A place of security.

Mr. Editor, I believe this should be brought out, for our people to read. We can't have a better world, unless we make it better. These strikes are so unnecessary, we argue over things that should be settle. I hope our boys forgive us. Forgive us being the way we are. We have lost many of our servicemen, who won't get to come back.

They fought for our rights. I hope we someday, can realize this. To show we appreciate this. We can show this in many ways,

LOW DOWN—HIGHER UP

I should like to send you some low down and higher ups.

It is true that Ose Wardrup and Ruth Crisp were married last week-end. Mr. Wardrup is a discharged soldier of about two months.

GREAT NEEDS IN COMMUNITY

Our community could be made better by a lot of ways and it could have some things taken away that would make it better. For instance, the gambling places and baseball pool, all these things are a bad thing for the community and should be taken out if possible.

There are a lot of ways of improving the community by putting in thing. We should have a better recreation center. We could square dance. A building for parties and picnics. Organize clubs have a building someplace to and different groups to get together and have meetings and so forth.

Another way the community could improve is by cleaning up the street. Some of these little stores and joint should be done away with.

I think the church in the community are doing splendid work but there is just not enough people doing it.

It is my pleasure to send you the following news items. The Moore General Hospital will have no football team this season. The officer in charge said it would be hard on the boys. The Moore General team gave Swannanoa team their football equipment. The materials was in very good conditions. The Swannanoa team gained the helmets, the school color.

The Swannanoa team will play Black Mountain next Friday at the Swannanoa field. This will be their first home game.

Swannanoa have played two games this year. The first game was played at Warren Wilson. The Swannanoa team beat 6-0. The second at Mars Hill when the Swannanoa team beat 25-6.

I am sending you some news that has happened during the past week and week end. This week my sister in law and her baby came to visit us. We had a very nice time. We went to the movies Saturday night.

Her husband is overseas, his name is Charles Edward Vess and he is in the Southwest Pacific. He is stationed in the Canton Island at the present time.

My brother, Sgt. Kenneth F. Vess was discharged from the army September the 12. He was in the European area, before he returned to this country. He was stationed at Camp Bunter before his discharge three weeks ago. He is helping my daddy at the present time he is an electrician and he plans to go in to that business later on.

This is all the news I can think of. But I will send more news if it happens I think the paper you putting out is very nice and we will help and co-operate as you would like for us to do.
