

THE CHURCH NEWS

The Asheville Sub-District of the Methodist Church met at the Cent Creek Lake for a communion service yesterday at 4:00 p. m. The Swannanoa Methodist and the Azalia Methodist is a member of the Sub-District. Several members from the Azalia Methodist attended and the event was much enjoyed. The preachers from the Methodist churches will go to conference this week, to be reassigned to some church. The people of Swannanoa need more clean recreation in the sur-

rounding community. Different people have different ideas of what should be had. It would be nice of something on the order of recreation could be worked out satisfactorily.

Helen Green

A telegram has just been received from Cpl. Thad Green that he had landed in California and he is expected home this week. Sgt. George Morgan came home last week, the first time he had been home in four years.

NEW BUTCHER AT DIXIE STORE

Garland Wade Passmore, formerly of Greenville, S. C. has taken over the butcher shop at the Dixie Home Store in Swannanoa. Mr. Passmore has had considerable, experience in the butcher business. He seems to be an up and at-em go get'er and invites you in to get acquainted.

SWANNANOVA LOCALS

Many people are very proud of your paper. I have heard a lot of fine compliments about your paper.

Mrs. Whitt Gibson who operates the Buchanan store in Swannanoa has held an operation recently. She is getting along nicely, at the Mission Hospital. Hurry up and get well we miss you around home.

Mrs. Davidson says that coal situation looks bad. She has more customers than she can supply coal.

From the looks of cars that was gathered of around Mr. Gibson's filling station, the other day things are booming.

Old Smitty at the filling station is still on the 90—never stops for anything.

GARLAND PASSMORE

At this particular time of year, we should, each of us, be thankful for the peace and victory which has been made ours. Our to hold, we say. Or shouldn't we rather loose it and send it to the furthest ends of the universe?

We are Americans, and proud of it but do not want the Chinese to be proud they are Chinese? Let us all submit our selves and our slightest wishes to the up building of mankind and the freedom and democratic ideals of all.

A COMPLETE AND EXCLUSIVE
TOY STORE
FAIN'S TOYLAND

8 Biltmore Avenue

Operated by and Accross
The Street From

Fain's Thrift Store

Here you are — now — a complete store, brim-full of toys of all types—in fact, so many we didn't have room for them in our main store — Fain's — so we have leased the building at 8 Biltmore avenue and opened Asheville's first and largest exclusive toy store.

You'll find every thing here: Dolls, Carriages, Furniture, Rockey Horses, Games, Guns — wheel goods — in fact about any toy you can think of—all at Fain's Thrift prices.

Come in. Make selections while stocks are complete and have them laid away for Christmas. A small deposit will do!
