

YOUR VICTORY BONDS WILL

CONTINUE THIS! ... The care and cure of our tragic thousands of wounded. Victory Bonds help pay the cost! And they'll help pay for bringing all our boys back home—help wind up the war's colossal expense that made victory possible.

PREVENT THIS! ... The bitter aftermath of squandered money that leads to inflation. No work—no living for the men who helped to make a better America! Depression can't strike if we have a secure backlog of Victory Bonds!

ASSURE THIS! ... The necessary reserve that son of yours who's coming back to the farm will want for future repairs ... for refertilizing the land ... for erosion control ... all the things that must be done to make the farm a better paying business.
