Pharmacy Partner To The Medical Profession In Caring For Your Health. In the never-ending battle against sickness and disease the Pharmacist is a trustworthy, efficient, responsible and practical professional member of your community. Trustworthy because to become a Pharmacist in North Carolina you must, since 1936, be a graduate of a four-year School of Pharmacy, spend one year internship under a Licensed Pharmacist, and pass the North Carolina Board of Pharmacy examinations. Efficient because the Pharmacist has in his prescription department, or within quick accessibility, the multitude of drugs which might be needed. Responsible because the laws of North Carolina place the blame on the Pharmacist for an over-dose of a potent drug even if the Pharmacist fills the prescription as written. Practical because the drug store is conveniently located and is open an average of 12 hours a day at least six days a week. Know your Pharmacist better. He is an important man in your community. He will always perform a high professional service in improving the health of North Carolinians. North Carolina Pharmaceutical Association. "A PROFESSION VITAL TO THE PUBLIC'S HEALTH".
