ARTS CLUB POETRY GROUP

The *Wardrobe of the Season* Our Summer is a lovely Miss Improvident and gay. Her flowered dress with patience bought She reckless casts away, And squanders attar's rare perfume. Nor hoards the longest day in June. The gifts that seed and sunshine wrought She gives them all, And blesses harvest with a kiss, Nor ever counts the cost till Fall.

Our thrifty Autumn dips her shawl In Oriental dye; While Winter cloaked in greys and brown Commands the snow to fly To wrap him in a warm down puff When wind roars and nights are rough. But dancing Spring in emerald gown Makes haste to leap Through swollen brook and waterfall To shake the cherry buds from sleep.

Aurelia Dora Howells.

The Poetry Group of the Arts Club will meet Saturday, June 7, at Miss Emma Robinson's.

The Garden Group will meet Monday, June 9, at 6:30 p. m. at Mrs. Tom Sharp's.

The Needle Work Group will meet on June 13.

**Playground Will
Open Monday**

The playground on Church street will be opened under supervision, Monday, June 9, at 2 p. m. Children from three to ten years of age are invited to participate the first day. Ice cream will be served at 4 o'clock.

To be able to enjoy the privileges of the grounds after the ninth, membership will be necessary in order to support it. The fee is \$10.00 for the three summer months for a family, and 25c an afternoon for each child not a member. Children under three years of age will be allowed to use the part set aside for them (if accompanied by a parent or other responsible person) by paying \$5.00 for the family for the three summer months.

Mrs. G. Luther Kirkpatrick is the treasurer.

The playground association gratefully acknowledges the donations made by Mrs. Estelle Harper and Mr. and Mrs. J. L. Potter.

Inadvertently the notice and acknowledgements last week were placed under the Girl Scout article. Appreciation was expressed there for the contributions of Mr. and Mrs. Robert Eckles, Mr. and Mrs. Ashton Gregg, Mr. and Mrs. Rudolf Sharp, and Mr. and Mrs. Carter Uzzell.

**OPERATORS OF COMBINES
MUST HAVE PERMITS**

Operators of combines and threshing machines are reminded that they are required to obtain permits to operate their machines in North Carolina. The permits are to be obtained through the Register of Deeds Office in each county of the State. There is rarely any charge for these permits, although handy daily record books are provided along with forms on which to report the acreage threshed and bushels obtained from this acreage.
