B. F. Goodrich announces a big reduction in the price of the famous Silvertown tire!
Yes, you can now buy all popular sizes of the tire that outwears prewar tires at actually less than prewar prices! And despite higher manufacturing costs too. One of the things that makes possible this huge price reduction is the tremendous demand for the new Silvertown—greater than for any tire B. F. Goodrich ever produced. In fact, more miles have been driven on this new tire than any other tire introduced since the war.
