The Members Hold a Love Peast and Adopt a Resolution.

CHICAGO, Ill., Jan. 10.-A special from Topeka says: Alliance members of the Legislature and party leaders had a love feast last night in their headquarters. The best of good feeling seemed to prevail between the factions which had been engaged in a bitter turmoil the last two days, over the publication of Turner's letter to Frank McGrath, President of the State Alli

McGrath made a statement regarding the letter, denying he had ever had any conversation with Turner upon the sub ject of his candidacy for United States senate but the following rescention was adopted by unanimous vote:

WHEREAS, a letter, dated Dec. 31 1890, signed E Q. Turner, has been re ceived by Frank McGrath. President of the Farmers' Alliance and Industrial Union, containing infamous surges tions, and offers for betrayal of the most sacred trust and confidence; there-

fore, RESOLVED, that we regard the affair solely as a noteworthy characteristic attempt on the part of politicians in Topeka and Washington to prove that moral laws have no place in politics. and a desire on their part to thwart the will of the people by any means, however base, and corrupt; that we regard it as only a notable reason for standing firmly together in our earnest, untir ing, and realous devotion to our cause: that we deprecate and condemn all efforts or disposition to introduce or foment personal antagonism, or private pique or jealousy in our party. holding the common cause higher, dearer, and more sacred, than individual interest.

A MONUMENT TO COLUMBUS.

The Spanish Government Preparing to Honor the Discoverer.

WASHINGTON, D. C., Jan.-The Spanish Government has instead of erecting a monument to commemorate the discovery of America, as was first proposed, to rebuid the part of Pales from which Columbus saied and erect wharves at LaRabida near the convent in which the great dis-coverer took refuge. Near the convent a pyramid will be erected as a monu ent to Columbus and dedicated on the October 1892.

QUEBEC, Jan. 10.—The full depth of cyalty of the Annexation party in anada may be gauged by the followng editorial remarks of the Quebec Telegraph:

"Great Britian may as well underand that if there is a war with the nited States it will have to do the ghting all alone, at least so far as Can-

till Under Discussion in the Upper Branch of Congress.

WASHINGTON, D. C., Jan. 10 -Mr. herman, from the Committee on Foreign Relations, reported a bill to amend Act of Feb., 1889, incorporating the Nicaragua Canal Company, (auhorizing the issue of bonds guaranteed y the United States.) Placed on the alendar, and. with accompanying re-

ort, ordered printed. The Senate at 1:15 resumed consideraion of the Firance bill, or, of "the anti-Contraction bill," as Mr. Sherman termed it in his motion, and Mr. Mor-gan continued the speech begun by him

esterday, in support of the free coinage amendment. He referred, with a high encomium, to a speech made by the late Senator Bock in support of a bill introduced by him on March 18, 1888, the second section of which provided that in all future issues of Treasury certificates "Coin certificates" should be substituted for "Gold Certificates" and for "Silver Cer-

tificates. He (Mr. Morgan) considered that proposition a perfect solvent of the difficulty of keeping gold and silver coin n perfect balance in the United States and had always desired very much to see the day when it wold be adopted by Congress, and he expected to offer an amendment to the suggestion of Mr. Cul-lom. The speech of Mr. Beck was or-dered printed in full as a part of Mr. dorgan's remarks which were soon thereafter concluded.

The bill was then laid aside. The Senate at half past four adjourn-

ed till Monday noon. COST OF OUR ARMY.

The Amount Asked for is Over Twentyfour Millions.

WASHINGTON, D. C., Jan. 10 .- Mr. lutterworth from the Committee on appropriations reported to the House Legislative Appropriation bill; placed on calendar.

The House then went into Committee of the whole (Mr. Dingley, of Maine, in he chair) on the Army Appropriation

Mr. Cutcheon, chairman of the Committee on Military Affairs, explained hat the bill was purely an appropriaion measure, and contained no general egislation whatever. The amount car-ned was \$24,639,000 or about \$400,000 nore than the appropriation for the current year. This increase was atributable to three causes: first increase n pay of army, growing out of operations of law; second, transfer of pay of signal corps from sundry civil bill to army bill; and third, from increase nade in transportation army in order to meet certain decisions of Secretary of Treasury.

Mr. Lanham, of Texas, member of the Committee congratulated the House that no partisanship had entered into the consultations of the committee in formulating the measure. The bill was as economical as it could be made in keeping with the necessities of the mil-

itary service.
Further remarks on the bill were made, but without action the bill was iaid aside and the House listened to eulogies on the Hon. Mr. Walker, of Missouri, by a number of members, and at 5 o'clock adjourned.

A LEGISLATIVE MUDDLE. Disgraceful conduct of the members of th Colorado Legislature.

DENVER, Col., Jan. 10.-There was an exciting time in the lower house of the Colorado legislature yesterday. There are two Republican factions in the House, one led by H. H. Eddy, and the other by James Browns. The Browns crowd number 14, and by forming an unexpected combine with the Democratic members secured a working majority. When the newly elected Speaker, Hanna, attempted to announce his standing committees the Browne Dem-ocratic faction blocked legislation and the result was that nothing could be accomplished during the afternoon.

Several attempts to adjourn were voted down by that clique. Browns was ordered under arrest for interrepting the Speaker. The Sergeant-at-Arms started to arrest Browns, when four deputy sheriffs sprang into the siele and defied the Sergeant at-Arms to do so. A scene of the wildest confusion and uproar prevailed.

A scene of the Wilderuproar prevailed.
Quiet was finally restored, but
deadlock confinued until midniwhen the Browne Democratic w
numbering 25 members, walked out
organized another lower house a
themselves. This will complicate
lation this winter.
Recaker Hanne is firm, and he
