**How Do I Love Thee...**

Count the ways this Valentine's Day with fresh flowers, balloons and stuffed animals from Shallotte Florist. Love Thee with roses, with daisies, with carnations, and with flowering plants. For all the loves of your life—count the ways to show them you care—with something beautiful from the people who care. Shallotte Florist.

Celebration of Valentine's Day has its origin from an Ancient Roman festival of love for the young people. It was dedicated to a Christian Saint martyred in mid-February. As a parting gesture before his death, Saint Valentine sent to his love, the blind daughter of his jailer, a bouquet of flowers and a farewell note signed "From your Valentine." Thus, Saint Valentine has come to represent love to millions of people around the world on the traditional Valentine's Day, February 14.
