Mausoleum Entombment
BY DICKY POWELL
BRUNSWICK FUNERAL SERVICE

Because Brunswick Funeral Service provides the area's only on-site alternative to earth burial, we are often asked about mausoleum entombment. Entombment in Brunswick Memorial Gardens is comparable in cost to the traditional earth burial because burial vaults are unnecessary in the dry, ventilated mausoleum crypts.

Constructed of time-defying concrete, steel, granite and marble, Brunswick Memorial Garden Mausoleums are provided the same perpetual care protection as the cemetery lots. Funeral services are often conducted in the lovely mausoleum chapel.

It is the objective of Brunswick Funeral Service to maintain a qualified staff and compete funeral, burial and mausoleum facilities to provide the area's finest comprehensive funeral service.
