

Brick Landing

PLANTATION

BEGIN 'LIVING A TRADITION' NOW.

Yesterday, people with vision went to Hilton Head or Kiawah Island. Today, the same kind of visionary people are coming to Mariners Wacche, water-front villas on Brick Landing Plantation, the fastest growing resort on the Atlantic shore. Now, from \$93,900.00, a limited opportunity lets you overlook the championship golf course, the Intracoastal, and Ocean Isle Beach... enjoy the tennis, swimming, stables, riding paths... the private island marina.

Golf course lots and models open on the waterway off Hwy. 179 between Ocean Isle Beach and Shallotte.
