### Service Draws Crowd

Attendance at early-morning Easter services at Ocean Isle Beach reached a new level Sunday, including this group seated beneath the cross. An estimated 2,500 to 3,000 persons participated in the service, indicated Mrs. Dan Norman, whose husband, the minister of Shalotte Presbyterian Church, led the service. Low winds and warm sunshine provided the best weather for the event in recent years.

### BTC Plans Aid Workshops

Brunswick Technical College Financial Aid Officer Kenneth Hewett plans to hold several workshops at area high schools.

The sessions will help prospective college students in applying for financial aid to offset college expenses.

He and Bertha Bell, senior guidance counselor, will help West Brunswick High School students at the high school library from 6 p.m. to 8 p.m. Thursday, April 18. They will be available to help complete applications and to discuss financial aid matters with students and parents.

A similar workshop is planned at South Brunswick High May 1 from 10 a.m. to 12 noon and at North Brunswick High School from 10 a.m. to 12 noon May 2.

High school students interested in entering college next fall who would like financial assistance are invited to attend the sessions along with their parents, said Hewett.

### Union School Plans Festival

Union Primary School will hold its first May Day Spring Fling and arts and crafts sale Saturday, May 4, at the school.

The school will rent 10-foot by 10-foot booths to display arts and crafts for sale on the school grounds for \$10. A rain date for the festival is May 11.

A carnival for the students will also be a part of the festival activities from 9 a.m. to 3:30 p.m., said Assistant Principal Diana Mintz. Arts and crafts booths will be open from 9 a.m. to 5 p.m.

Anyone interested in renting space for the arts and crafts sale should contact Ms. Mintz at Union Primary School, 579-3591. Proceeds from the Spring Fling, sponsored by the school PTO organization, will be used for the school.

### Public Accessways Opening

Eight public accessways, like the one already open at Heritage Harbor above, are now under construction at Holden Beach. Parking areas and steps have already been completed on the east end of the beach at Avenues B and C, said Town Manager Bob Buck. Steps and walkways are also open at Colonial Acres and Harbor Acres on the west end. Within weeks, a walkway and steps should be added at Avenue E and steps should be available at Avenue D and Ferry Road on the east end, completing the town's project in coordination with the N.C. Coastal Management Program, Buck said.
