Beautiful view of the waterway—

Ocean Isle

You can't have a better address than Craven Street at Ocean Isle Beach, and you can't own a better-built home than this one on a concrete canal with its own floating dock! Its 2300 sq. ft. includes 4 bedrooms, 3 baths, sitting room and laundry/sewing room. If it is your dream home, move right in. If not, let us build the home of your dreams.

It is just one more example of the quality that Bruce's Construction and Realty builds into every project, whether a beach cottage, condominium project or commercial building.
