

# Drug Charges Against Shallotte Man Dismissed

Three drug-related charges against one Shallotte area man were dismissed in Brunswick County District Court last week, but another Shallotte man was found guilty of possessing drug paraphernalia and faces possible indictment on another drug charge.

Hearing the case on Monday, Sept. 16, Judge Lee J. Greer Jr. dismissed all charges against Earl Arthur Spivey, 51, of North Tanglewood Estates.

The dismissal came after Greer allowed a defense motion to suppress all evidence obtained with the use of a search warrant.

Following a search of his premises for cocaine by Brunswick County Sheriff's officers in which five grams of cocaine, \$5,550 in cash and drug paraphernalia were found, Spivey had been arrested July 9 and charged with possession with intent to manufacture, sell or deliver; felony possession of cocaine and possession of drug paraphernalia.

The search warrant to look for the cocaine had been issued on the basis of information provided to a sheriff's officer.

In another case, the court found Henry M. Stanley, 25, of Mulberry Street, guilty of possession of drug paraphernalia. He was sentenced to six months in the Brunswick County Jail, suspended for two years, and fined \$100 and costs.

Stanley was bound over to Brunswick County Superior Court for trial after probable cause was found on a charge of possession with intent to sell and deliver marijuana. No probable cause was found for a second, identical charge.

Stanley was arrested July 12 by Brunswick County Sheriff's officers and charged after they confiscated \$2,500 cash, an undetermined amount of dried marijuana, two marijuana plants and drug paraphernalia. Their investigation was in cooperation with the Shallotte Police Department, which had received information about the defendant.

The court ordered that all money confiscated be returned to the owner except that money found on the defendant.

Judge Greer shared district court duties Sept. 16-20 with Judges Jerry A. Jolly and William C. Gore Jr. They also tried the following cases:
