

Ken Reinitz Is Superintendent

One man is responsible for the well-manicured greens and lush fairways of Sea Trail Golf Links.

He is retired U.S. Army veteran Ken Reinitz.

His is the task of maintaining those giant greens with their bent grass and spacious fairways with their nematode-resistant 419 Bermuda Tifway.

He has the experience.

After retiring from the Army in 1976, Reinitz joined Myrtle Beach National as assistant superintendent. Later he moved to Waterway Hills as superintendent.

Now he is golf course superintendent for Sea Trail Golf links.

In addition to caring for the greens and fairways, he must supervise work on the course's 53 sand traps and the driving range to be constructed soon as well as the practice putting green.

KEN REINITZ, retired Army veteran and now golf course superintendent at Sea Trail, stands beside one of the large sand traps at the 14th green.

Restaurant At Sea Trail Is Named Tavern On The Tee

Sea Trail Golf Links has its own restaurant to keep golfers from missing breakfast or lunch.

The restaurant, Tavern On The Tee, is in the spacious clubhouse which also has the pro shop, lounges and other amenities.

The restaurant has been leased to a Greensboro couple now living at Sunset Beach.

They are Ruby and Troy Blythe.

"We are famous in Greensboro for our breakfasts," said Ruby Blythe.

"She's famous for them," interjected husband Troy.

The breakfast menu at Tavern On The Tee will include eggs Benedict, eggs Florentine, steak and eggs and a country breakfast.

For lunch the Blythes will serve speciality sandwiches and soups.

Their desserts will bring many

older tourists to Sunset Beach and Sea Trail when they learn what they are.

What are they?

Icebox pies. Not just any old icebox pies.

They are icebox pies made by the old Toddle House recipe.

"We had to pay a fortune for those recipes," Troy said. "But it was

worth it. Our Greensboro customers at our restaurant there, Jan's House, love those pies."

Jan's house hasn't closed. When the Blythes left Greensboro, they left their son and daughter in charge of that restaurant so they could bring those Toddle House icebox pies to

Tavern On The Tee at Sea Trail Golf Links.

Congratulations and Thank You Sea Trail Golf Links

No Job Too Small

All types of concrete and masonry work. Ready-mix.

Hwy. 179 between Ocean Isle & Sunset Beach 579-3561

TOM POPE, brother of Sea Trail's Miller Pope, is the man responsible for building the golf resort's spacious and luxurious clubhouse. The two brothers collaborated on the design of the building.

Congratulations to Sea Trail Golf Links
