

Military To Step Up Enforcement At Sunny Point Terminal

Authorities at Sunny Point Military Ocean Terminal will begin issuing U.S. District Court Violation Notices for offenses occurring at that installation effective Dec. 1.

These violation notices will require offenders either to pay a fine or to appear before a U.S. Magistrate.

This is a change from the past practice by Sunny Point Police who either issued Armed Forces Traffic Tickets to violators or called on local police authorities for assistance.

Armed Forces Traffic Tickets are

essential courtesy tickets which did not require payment of a fine or a court appearance.

The new system is similar to that which has been in effect for several years at Camp Lejeune, Fort Bragg, and other military installations.

According to authorities at Sunny Point, the Federal Magistrate System is being implemented there to provide security guards an immediate means of enforcing traffic, trespassing and other minor violations in the Sunny Point areas.

The terminal has had a problem with boats trespassing in restricted waters for some time. "Although the area is properly marked," said Myrtle D. Meade, public affairs officer, "a lot of people either just don't know what the markers mean, read them improperly, or ignore them."

Enforcement will be directed mainly against repeat violators. Persons accidentally straying into the area will simply be escorted out by the terminal patrol boat.

Although trespass by watercraft is

a primary concern, violation notices may be issued for any act which is an offense under either federal law or a violation of the laws of North Carolina.

This includes all traffic and fish and game violations, as well as more serious crimes.

Local sportsmen should exercise care to avoid the restricted waters around Sunny Point and everyone entering the installation should carefully observe all traffic rules and regulations.

ASCS Elections Begin Nov. 22

Brunswick County Agricultural Stabilization and Conservation Service (ASCS) Committee elections begin Nov. 22, when ballots are mailed, and end on Dec. 2, the final date for the return of ballots to the ASCS office.

All candidates for community committees were nominated by petition this year, except eight named by the county committee.

On the ballot are Levy Clemmons, Waddell Clemmons, Alton Evans, Elwood Fulford and Burness L. Hewett for Lockwood Folly; F.P. Cook, Abraham Pellom, Audwin L. Pellom, H. Hulon Pellom and Donald Ray Perkins for North West; Shady L. Daniels, Hulon E. Grissett, Wayne Grissett, Clarence DeWayne Reaves and Donald Wilson for Shallotte; E.T. Albright, D.G. Padgett, J.T. Potter Jr., Willie Smith and Jerry Willetts for Town Creek; and Samuel L. Bowens, Hoyt B. Inman, Nelson King, Bennie H. Smith and Jacky W. Smith for Waccamaw.

Any person who owns or operates a farm, or has an interest as a tenant or sharecropper, is eligible to vote. Persons not receiving ballots may pick one up at the county ASCS office at the government center in Bolivia after Nov. 22. Voted ballots must be

returned or postmarked by Dec. 2. Full voting instructions are listed on the ballots.

The county committee will meet in public at 9 a.m. on Dec. 9 at the ASCS office to tabulate the returns. Elected committeemen and alternates will be notified of the results.

In each of the five communities, a chairman, vice chairman, regular member, first and second alternate will be elected.

The three elected committeemen also become delegates to the county convention at the ASCS office on Dec. 16 at 9 a.m. The community committee alternates will attend if regular members are not able to attend.

The purpose of the county convention is to nominate and elect one member to the county committee for a three-year term. The delegates will also nominate and elect a chairman and vice-chairman for 1986 from the newly elected and incumbent county committee members. A first and second alternate to the county committee will also be nominated and elected.

Newly elected county and community committeemen will take office Jan. 1.

For more information, call the ASCS office at 253-4448.

Computer Problem Causes Telephone Outage Tuesday

Approximately 1,500 Atlantic telephone customers in the Shallotte exchange lost service from 8 a.m. to 10:30 p.m. Tuesday morning when a computer broke down.

Doug Huddle, central office/special services supervisor, said the outage was caused by a software problem.

Atlantic Telephone spokesman Percy Woodard said no particular group of numbers was out. A random 50 percent of customers, both commercial and residential, in the Shallotte exchange lost service.

Woodard says the telephone company plans to work with ITT-North,

manufacturers of the equipment, to discover what caused the software problem.

Dress Fitting Workshop Planned

A dress fitting workshop will be held at the Brunswick County Extension Service office at the government center in Bolivia on Monday, Nov. 25, from 9:30 a.m. to 3 p.m.

Joe Peters, a sewing instructor from Clinton, will teach the workshop.

Registration costs \$10.

Session Off To Slow Start

The current session of Brunswick County Superior Criminal Court got off to a slow start this week, with Judge F. Gordon Battle presiding over one sentencing, one plea, one dismissal and one short trial over the first two days.

Rodney E. Cobb, charged with first degree rape, pleaded guilty to attempted second degree rape and was sentenced to the N.C. Department of Corrections for five years.

A jury found Richard L. Carnes not guilty of driving while impaired, just as he had pleaded.

A motion for dismissal by defense attorney David P. Ford was allowed following presentation of the state's evidence against Adolph Holmes. Holmes, who operates several lounges in the Shallotte area, was charged with the unlawful sale of alcoholic beverages.

Wesley P. Musselwhite Jr., who in an earlier session entered a plea to a reduced charge of taking indecent liberties, was sentenced to the N.C. Department of Corrections for four years, with work release recommended.

And, in the case of Thomas S. Gang, charged with second degree rape, the state was granted its request for a continuance. Bond was reduced to \$50,000, unsecured.

Senior Citizens Recognize Beachum

The Town Creek Township Senior Citizens gave Lena Beachum special recognition at their Nov. 7 meeting for organizing the group's 1984-85 scrapbook.

Before the meeting, Margaret Knox entertained the 26 attending club members by playing several songs on the piano.

Ouida Hewett announced club trips planned for November and December, and Barbara Linebarger told club members about the United Way.

Club officers for 1984-85 will serve again in 1985-86. They were installed by Ouida Hewett.

The next meeting, a covered dish luncheon, will be held Thursday, Dec. 5, at noon at the Town Creek Township Park Building.

Members are to bring a gift item for the Home Missions Center Christmas program. Gifts can include a staple food item, children's toys or cash donations.

West FFA Wins Tool Contest

The West Brunswick Chapter of the Future Farmers of America (FFA) won first place in the federation tool competition on Thursday, Nov. 14, at Cape Fear Technical Institute in Wilmington, according to Jonathan Clemmons, FFA reporter.

Team high scorer was April Robinson with 100 points. Jerry Simmons had the second highest score with 94.

Other team members were Keith Hewett, Matthew Long, Rusty Bellamy, Stephen Russ and Leon Duncan.
