Tree Of Hope To Bring Christmas To Children

A Tree of Hope established at the Bolivia branch of United Carolina Bank will help make Christmas brighter for a number of Brunswick County youngsters.

The tree is part of a Christmas basket project organized by the Brunswick County Volunteer & Information Center at Bolivia, said Ouida Hewett, Volunteer Action Center coordinator.

Persons or groups interested in "adopting" a child for holiday gift-giving can stop by the Bolivia UCB office, said branch manager Joe Stanley, and pick up one or more "Hope" cards. On each is the name, age, size and sex of a child. All the children's names have been screened as to need.

VIC wants people to take the cards, buy a Christmas gift for the child and return the gift to the UCB Christmas

tree no later than 4 p.m. Monday, Dec. 16.

At the bank, each gift becomes a "star" on the Tree of Hope.

VIC staff members will deliver the presents.

"It looks like we have a great need for Christmas," said Hewett. "We have taken applications for all of Brunswick County."

The Salvation Army is working with VIC in the Leland area, where the pick-up date for toys and other gifts is Dec. 23 at Leland Baptist Church.

Hewett said the Home Missions Center is continuing to accept gifts of food, fruit, toys and the like for the overall Christmas basket project. Donations can be taken to the Home Missions Office at the shopping plaza in Bolivia.

Santa Plans Holiday Calls

"Hello, this is Santa," are the words dozens of Brunswick County youngsters will hear later this month.

A joint effort of the parks and recreation departments of Brunswick County, Southport and Long Beach, the popular "Santa Calling" program begins again on Monday Dec. 16.

Parents who would like their child to get a special call from Santa between Dec. 16 and Dec. 22, during the hours of 6:30 p.m. and 8:30 p.m., should send information about the child to their local parks and recreation department no later than Dec. 11.

Santa needs to know the name, age, phone number, address and school of each child, as well as any special requests that might help parents with child behavior and gifts their child can reasonably expect to receive for Christmas.

Send each request to the appropriate department's Santa Call-
