

# Ocean Isle Drug Charges Dismissed By Judge

After a judge suppressed the state's evidence, drug charges against two Ocean Isle Beach residents, one a public school teacher, were dismissed Friday in Brunswick County District Court.

Judge Jerry A. Jolly heard cases Dec. 9-13 at the courthouse in Bolivia.

Darlene Streater, a fifth-grade teacher at Shalotte Middle School, and Gregory W. Moore, both residents of an Ocean Isle Beach condominium complex, were arrested Oct. 25 by the Brunswick County Sheriff's Department and the Ocean Isle Beach Police Department. They were each charged with felony possession of cocaine, possession with intent to sell and deliver cocaine and misdemeanor possession of marijuana.

Assistant District Attorney Napoleon Barefoot Jr. asked for a dismissal after Judge Lee J. Greer Jr. suppressed the evidence at the probable cause hearing because the search warrant with which it was obtained was not specific.

The search warrant had been obtained by the sheriff's department on the basis of information from an informant.

During a search of the apartment and two vehicles registered in Moore's name, officers seized about an ounce of cocaine, some marijuana, assorted drug paraphernalia and \$1,575.

Ms. Streater had been suspended from her job with pay pending the outcome of the case.

Trespassing charges against members of the Concerned Citizens of Brunswick County Taxpayers Association also were dismissed by the state pending the resolution of a civil suit filed by the association. The group is trying to establish its contention that a public right of access exists for a dirt road on the west end of Holden Beach.

Kimble L. Bernard, misdemeanor larceny; State Department of Corrections not less nor more than two years, suspended, supervised probation two years, costs, restitution \$50 plaintiff, Brunswick County Jail 30 days beginning 12 Noon on 12-26-85.

**Why You Should Be Sleeping On Water**

**TOTAL BODY SUPPORT**  
Unlike conventional mattresses which create pressure points on areas of greatest weight concentration, a water bed conforms to the exact weight and shape of your body providing total even support.

As a result you will experience improved blood circulation and rarely toss and turn, which can disrupt a good night's sleep. You will awaken feeling refreshed, well rested and in some cases you may even require fewer hours of sleep.
