River Hills

Two Real Reasons Our Property Sells Itself

Located on a picturesque bluff overlooking the Shallotte River in coastal Brunswick County, North Carolina, River Hills affords a REAL opportunity for the investor and home owner alike. Wooded hilly terrain sloping gracefully to the winding river channel grants many lots marsh or river front location and most a river view.

And because River Hills is virgin forest land you'll be able to carve your own niche out of the centuries-old mast oaks, hardwoods, plentiful pines and shrubs.

Our lots come in a wide range of prices and sizes, are secluded and restricted.

We are located only 10-15 minutes from two area beaches, 5 minutes from downtown Shallotte, and 35 minutes from exciting Myrtle Beach.

Of course, if you prefer to travel by boat our own private boat ramp makes beach access much quicker and more enjoyable.
