## In Brunswick County!

### Eleven Convenient Locations To Serve You Better!

At United Carolina Bank, we offer every banking service you're likely to need. Plus, we offer you every possible banking *convenience*, because we know how busy you are!

For more convenience, we have ucb24 automatic teller machines at two UCB locations here in Brunswick County. This means you've got 24-hour banking convenience close to where you work and live.

In Shallotte, you'll find a ucb24 machine at our main office at 305 S. Main Street. In Southport, we have a ucb24 teller machine at our Sawdust Trail office at the intersection of Highways 211 and 87.

Of course, this 24-hour convenience is *in addition* to the full-service we offer at all eleven of our Brunswick County offices. We invite you to visit the one nearest you. We're always ready to help!
