Zelma Babson, animal control supervisor for the Brunswick County Health Department, recommends the following pets for adoption this week:

•Male orange and white short-haired kitten, seven to eight weeks old;

•Male mixed German shepherd black and tan puppy, six to seven months old; and

•Male mixed breed puppy, eight to nine weeks old, with black and dark cream markings.

These and other animals can be seen at the animal shelter, just off N.C. 211 near Supply, from 8 a.m. till 4:30 p.m., Monday through Friday.

Clarification

An amateur radio group attempting to raise funds for a generator was incorrectly identified in an article as the Brunswick County Amateur Radio Society.

Alton Clemmons, president of both groups, said he should have identified the group as the Brunswick Amateur Emergency Radio Service, organized about two months ago.

However that group is being disbanded this week and the fund-raising campaign discontinued, he said. Initially the group was seeking to obtain \$3,600 to install a generator to keep the radio repeater in operation during power interruptions.
