

# Brunswick Man Sentenced For Tax Evasion

A Leland area man received a suspended sentence last week in Brunswick County Criminal District Court after pleading no contest to state income tax evasion charges in May.

**WE'RE GIVING AWAY SOMETHING THAT THE PERSON WHO HAS EVERYTHING CAN NEVER GET ENOUGH OF.**

You've heard the phrase: "You can never have too much of a good thing." But while we're not giving away the latest diet book, we are giving away money. Just open a money market account with \$2000 or more and we automatically deposit fifty dollars to you.

And we don't run a good thing by charging a tiny cost back charge, as long as you maintain a balance of \$2000.

This same principle applies to our Money Market Savings Account.

You're entitled to thirty checks each month and unlimited withdrawals each person. And there's none of this "you'll get it back in three weeks" advance notice.

Third Thursday of the month? You get your money whenever you want.

So unlike other investments, your money market account is always completely liquid.

There's one limit, though. And we hate to even bring it up. Just one account per family or organization. That way we've got plenty of money to pay all that interest you're going to earn.

So there's no reason in the world to leave a big chunk of money lying around earning chump change when you could be making it.

Not to mention the instant \$50 profit if you'll make just for opening a money market account in the first place.

The way we figure it, you put all that money in our bank, you deserve a taste of what you'll be making a lot more of.
