

PEOPLE IN THE NEWS

Supply Employees Are Recognized

Two employees of Supply Elementary School were recognized in December for their efforts on behalf of the school.

They are third-year teacher assistant Gloria Foss and media specialist Margaret Curry.

FOSS CURRY

Foss was nominated for her work with the Friendship Committee, coordinating the Books and Beyond reading incentive program, collecting cans and for generally working above and beyond her regular duties. The former bookkeeper is studying to receive a teaching degree through Brunswick Community College and the University of North Carolina at Wilmington.

Curry, a first-year teacher, was nominated for her work with teachers to schedule classes in the media center, extra activities, such as coordinating a book character contest, her "wonderful way" with children and having a media center that is also a learning center. A graduate of North Carolina A&T University, Greensboro, with degrees in mass communications and educational media, she enjoys educating children by integrating media.

Aboard Nimitz

Navy Airman Alvin R. Burney, son of Carol A. and Alvin R. Burney Sr. of Supply, recently reported for duty aboard the aircraft carrier USS Nimitz, homeported in Bremerton, Mass.

The 1989 graduate of West Brunswick High School joined the Navy in August 1992.

On UNCC Dean's List

Three Brunswick County residents are among the University of North Carolina at Charlotte students making the dean's list for the 1993 fall semester.

They are Mark William Sullivan, Long Beach, an arts and sciences major; Jeffrey Allen Felker, Long Beach, a biology major; and April Barbarenda Coggins of Yaupon Beach, an English major.

To qualify for the dean's list, a student must complete at least 12 semester hours with grades of A, B or C and achieve a quality point average of at least 3.4 but not more than 3.79.

Medal Awarded

Air Force Senior Airman Timothy E. Vaught has been decorated with the Good Conduct Medal.

The medal is awarded for exemplary conduct while in the active service of the U.S.

Vaught, a production control specialist, is the son of Mary O. Vaught of Winnabow. His wife, Karen, is the daughter of Ernest and Carrie Faison of Wilmington.

Phyllis McCoy, Owner/Operator

The airman is a 1985 graduate of South Brunswick High School.

Willetts Decorated

Staff Sgt. Blinda Willetts has been decorated with the Air Force Commendation Medal.

The medal is awarded to "individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Air Force," according to a news release.

Willetts, an information management specialist, is the daughter of Pauline R. Willetts of Minot Air Force Base, N.D., and the niece of Elisabeth Willetts of Bolivia.

She graduated from South Brunswick High School in 1974.

Jackson Teaches Art

Lola Jackson, art teacher at Shallotte Middle School, will be the instructor for the first painting class offered through the general education curriculum at Brunswick Community College.

JACKSON

The class will offer five hours of dual transcript credit at BCC and the University of North Carolina at Wilmington and is also open to students not interested in pursuing a college degree. Students will explore mixed media—watercolor, acrylic and oil. The class will meet Mondays, Tuesdays and Thursdays from 3:30 p.m. to 6:50 p.m.

Students already enrolled at BCC may sign up for the course during pre-registration Feb. 9 and 10. Regular registration for spring quarter courses will be held Tuesday, March 9, at BCC, followed by the start of class March 10.

Jackson has varied experience as an artist, art instructor and art distributor. A graduate of the University of Minnesota at Mankato, she holds a bachelor of science in art education and a master's of art degree with an emphasis on drawing, painting and printmaking.

Named NCO Of Quarter

Air Force Tech. Sgt. Lesley N. Ellis has been named noncommissioned officer of the quarter.

"Selection was based on the individual's exemplary job duty performance, job knowledge, leadership qualities, significant self-improvement and other accomplishments," according to an Air Force news release.

Ellis, an air traffic control technician, is the son of Violet L. Jester of Shallotte.

The sergeant graduated in 1974 from Northeast Guilford High School and received an associate degree in 1989 from the Community College of the Air Force.

Wofford Dean's List

Rebecca Lynn Wood of Shallotte has been named to the dean's list at Wofford College.

In order to be named to the dean's list, a student must be enrolled for at least 12 semester hours of graded courses and have earned better than a 3.0 average. A student earning all A's achieves a 4.0 average.

Wood is a sophomore at Wofford, located in downtown Spartanburg, S.C.

Head Start Accepting Applications

The Cedar Grove, Longwood and Ransom Head Start centers are conducting community needs surveys and accepting applications for their 1993-94 school year.

Head Start is a federally funded program that helps low-income families in the areas of education, nutrition, health, disability, mental health, parent involvement and social services.

Parents or guardians of children who will turn three or four by Oct. 16, and who would like to complete a survey or get more information about the program, should call the number in the area closest to where they live: Cedar Grove, 842-6363; Longwood, 287-3637; or Ransom, 655-4025.

Priority will be given to four-year-olds in selecting children for the program.

ONE for the MONEY!
TWO for the SHOW!
THREE to get READY.

GO - Load Management - GO

Check out the cash incentive for signing up for Load Management and remember your participation in **Load Management and Load Shifting** is important in helping to keep power cost down.

At no cost to you, Brunswick EMC installs load management switches on electric central air conditioners, heat strips and water heaters.

You can help with Load Shifting by simply avoiding using major appliances during peak power usage times which on cold mornings is 6 to 9 a.m. Contact a BEMC Representative today.

Join the Load Management Team. It's A Win-Win Participation.

Man Killed In Wreck Near Belville Saturday Morning

A Wilmington man was killed early Saturday morning when his car ran off N.C. 133 less than a mile south of Belville and struck three trees.

Around 1:35 a.m., according to the report filed by Trooper D.A. Lewis, Paul Francis Valade, 27, of Wilmington was traveling north on N.C. 133 at a high rate of speed when, as he entered a curve to the left, the car ran off the right shoulder of the road and struck the trees.

Valade was declared dead on arrival at The Brunswick Hospital.

A passenger, Deana Jean McQuain, 22, of Castle Hayne, was transported to New Hanover Regional Medical Center in Wilmington with serious, incapacitating injuries.

Damage to Valade's 1988 Ford was estimated at \$5,000.

Five persons were injured, one seriously, in a two car accident that occurred Wednesday, Jan. 20, at 9:30 a.m. near the intersection of the U.S. 17 bypass and Old Shallotte Road.

Gerrard Hansen, 70, of Wrightsville Beach, driving a 1988 Nissan, was traveling south on the bypass about 1.3 miles west of Shallotte, according to the report filed by Trooper W.H. Thompson.

James Cox, 67, of Route 7, Shallotte, stopped at the stop sign on Old Shallotte Road, then pulled into Hansen's path. After Hansen's car struck the truck, the car continued, coming to rest in the southbound lane of the bypass. The truck ended up on the shoulder of the road.

Thompson charged Cox with failure to yield.

Cox, who was seriously injured, and Hansen and three passengers in his car, all with complaints of in-

jury, were transported to The Brunswick Hospital.

The passengers were Albert Hansen, 62, and Joan Hansen, 63, both Hampstead; and Doris Hansen, 65, of Wrightsville Beach.

No charges were filed in a one-car accident that occurred 5:30 p.m. Thursday, Jan 21, one of two that day in which a rain-slick roadway figured.

Richard Lewis, 19, of Shallotte, was southbound on U.S. 17 when he lost control of his 1988 Nissan on the rainy roadway. The car ran off the road on the left, struck and ditch and overturned, reported Trooper R.L. Murray.

Complaining of injuries, Lewis was transported to The Brunswick Hospital.

Damage to the Nissan was estimated at \$3,500.

Rain also figured in a two-car wreck that occurred around 8 p.m. Thursday 5.8 miles south of Shallotte, also on U.S. 17.

The accident involved a 1988 Honda operated by Vivian Jordan, 35, of Shallotte, and a 1987 Ford operated by Roger Simmons, 56, of Route 1, Ash. According to the report filed by investigating Trooper R.L. Murray, both Jordan and Simmons were traveling south on U.S. 17 when Simmons pulled out to pass Jordan's car. He lost control on the rain-slick road, causing the right front of the Ford to strike the Honda in the left rear.

Both vehicles skidded off the roadway on the right and struck a ditch.

Murray charged Simmons with exceeding a safe speed.

Simmons, Jordan and a passenger in her car, Brandice Jordan, 7, were transported to The Brunswick Hospital.

N.C. State University and The Milliken Company Present A Public Workshop

Who can attend?—Everyone!

Purpose—To exchange information with the public concerning a proposed residential neighborhood. The project is to be located near the end of Pender St. in Shallotte. The N.C. State University School of Design is masterplanning the site. Emphasis will be on creating a neighborhood that will respond to the diverse needs of people for shelter, culture, play, work, basic shopping, outdoor enjoyment, and communion with neighbors.

Date—Saturday, January 30.

Time—Drop by anytime Noon—3 P.M.

Where—South Main St., Shallotte Plaza—Unit #11 (in the shopping center located between the Chamber of Commerce and NationsBank) • Look for the banner.

Development Company—The Milliken Company

Investment Company—Walton/Milliken Joint Venture
