Hey. Is this the den of Susie the fox?

Yes. And you're talking to the fox's father.

Oh...well, can I talk to her?

She's taking a bath.

Hey, that's ok. I'll just wait.

Wait? You can't just wait. Don't you realize other people need to use this phone?

Oh, you mean this isn't her private line?

No, it isn't. And why should I spoil her with a phone of her own?

Hey, it's not for her. It's for you. I mean you're expecting some important calls, right?

Yes?

So if she had a phone of her own you'd never have to hassle over getting or making calls. And another thing.

Uh-huh...

You wouldn't have to be bothered by talking with guys like me.

There are lots of great reasons for getting a second phone. A phone backed by our dependable service. To get all the details, call our business office.
