Look Up How Much Interest You're Paying On Your Credit Card Balances. (Maybe You'd Better Sit Down First.)

If you're like most people, you get several credit card bills every month.

You're always writing checks, but at those high interest rates, it's small wonder the balances take forever to get down.

We've got a perfect solution: our Tax Advantage Credit Line.

This way, you can pay off all your credit card balances, pay just 1 1/2 to 2% over prime, and deduct up to 100% of the interest from your taxes.

And here's another plus from Southern National: If you're a homeowner, we can show you how to access up to 100% of the equity in your home, instead of the usual 75-80% most equity lines offer.

By the way, you don't have to throw away your credit cards. Just pay them off every month (using your Tax Advantage Credit Line), and deprive the credit card company of all that interest.

Now, wouldn't that be an absolutely wonderful feeling?

Cut Your Credit Card Interest In Half. And Make It Deductible.

HOW MUCH DO YOU SAVE?

Regular Credit Card	Tax Advantage Credit Line
