

Your Guide To Courses From Calabash To Bald Head

(Continued From Page 22)
on a well-maintained course.

Rolling contours, tight fairways and a meandering creek make Ocean Isle a challenge and a favorite among local seniors and golf associations.

Olde Fort

Located on N.C. 133 at Winnabow, Olde Fort Country Club is a layout intended for the beginning golfer.

The course is an unimposing 6,200 yards from the back tees and has few sand traps or other hazards. There are four water holes on the par-72 course, which features wide fairways and receptive greens.

Olde Fort is perfect for the average golfer more interested in a fun round than a stiff challenge.

Oyster Bay

Recognized by *Golf Digest* as the "Best New Resort Course" when it was built, Oyster Bay Golf Links had maintained its standing as one of the Southeast's finest facilities.

Architect Dan Maples used nature to create the hazards, incorporating salt marshes and freshwater lakes into his design.

The par-70 championship course measures 6,695 yards. It's located on N.C. 179 at Sunset Beach.

The Pearl

Located on Old Georgetown

Road near Calabash, The Pearl Golf Links features two championship courses.

The East and West courses measure 6,895 and 7,011 respectively and have been acclaimed as two of the best in the Southeast.

They have been named among the top 10 course in the Carolinas, and The Pearl was nominated as the "Best New Public Resort Course" in 1998 by *Golf Digest*.

The Pearl has plans for two new golf courses (North and South) at its outstanding complex, which is a leader in the area for hosting tournaments.

Sandpiper Bay

Just a short drive from The Pearl is Sandpiper Bay Golf & Country Club, a championship course that

has gained many fans since it opened a few years ago.

The forgiving Dan Maples creation is topped off by a beautiful plantation clubhouse and pro shop.

Sandpiper is a fascinating course that feature wide fairways, a friendly cut of rough and some of the best, bent-grass greens you'll find anywhere.

Naturally-sculptured bunkers guard elevated greens that are highly-receptive to approach shots. Many of the holes demand a drive over or near water or marsh.

Sea Trail Plantation

Sea Trail Plantation at Sunset Beach is the county's largest golf

resort, with three championship courses and a new, on-site golf school that is expected to open this spring.

Dan Maples built the original Sea Trail course, which features 40-foot elevation changes and tree-studded islands surrounded by water. *Golf Digest* recognized the Maples course as one of the most outstanding new resort courses in 1986.

Rees Jones and Willard Byrd followed Maples with two more world-class courses. Each layout measures approximately 6,750 yards.

On his course, Jones blended his magic with the best in natural ter-

rain to suit both contemporary and traditional tastes. His use of elevated tees, mounds, bunkers and water to frame the holes and focus on the natural beauty of land is outstanding.

The Byrd course at Sea Trail features two expansive lakes and stunning scenery. It has many interesting changes in elevation and a variety of challenging dogleg holes.

Oak Island

Oak Island Golf Club is a 6,800-yard George Cobb design located at Caswell Beach.

The course is carved out of a maritime forest and features fairways lined with towering pines and shading oaks.
