

A New Day Dawns At

Cardinal Care Center

Brunswick Village has been purchased by Aaron Enterprises, Inc., a Hendersonville, NC based management company of retirement communities and long term care facilities. Under our new and aggressive management, Cardinal Care Center will be setting new goals and standards.

Entrance and Endowment Fees have been eliminated. There are no long term leases.

Now Shallotte and Brunswick County have their own assisted living care units. Visit us soon. Let us share with you our concept of a caring environment as an alternative to nursing homes.
