Johnson-Spencer Vows Are Said In Wilmington

Shelby Jeanette Johnson and Harold Wallace Spencer Sr. were married Saturday, June 26, at Murray Memorial Baptist Church in Wilmington. The Rev. Dr. Allen McKeithan officiated the double-ring ceremony.

Pianist and soloist was Rhonda Benton of Calabash.

The bride is the daughter of Mr. and Mrs. Sam T. Johnson of Raleigh and the granddaughter of the late Mr. and Mrs. Dallas McKeithan of Ash and the late Mr. and Mrs. David Johnson of Bolivia. The groom is the son of the late Mr. and Mrs. Halbert W. Spencer of Louisburg.

Given in marriage by her parents and escorted by her father, the bride wore a gown designed and made by her mother. The beau de soie satin gown featured a low-cut jewel neckline, close-fitting shaped bodice, dropped waistline and puffed sleeves. The waistline had scalloped lace edging and dropped into a flared skirt with cathedral-length train. The bodice and skirt were trimmed with seed pearls, iridescent sequins and crystal bugle beads.

She wore a fingertip veil of bridal illusion trimmed with roses, seed pearls and pearl sprays, also made by her mother. She carried a cascade bouquet of white and Sonya roses.

The bride chose her brother, Sam Johnson of Raleigh, and a friend, Terry W. Hollingsworth of Wilmington, as her honor attendants. The bridesmaids were Lynne Spencer Stallings of Leland, Wendy Spender and Phyllis Brown of Wilmington and Karin Johnson of Raleigh.

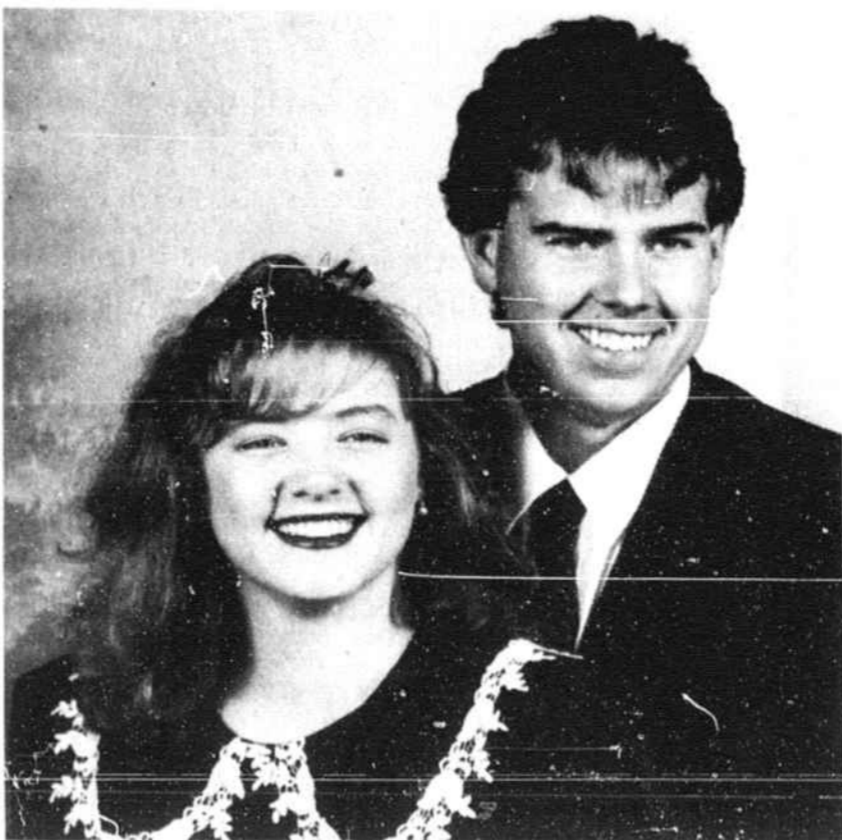

Flower girl was Amber Stallings of Leland.

The groom chose his son, Harold W. Spencer Jr. of Greensboro, as his best man. Groomsmen were Jeff Stallings of Leland, Mike Teleky of Carolina Beach and Thomas Mabry of Ash.

Joshua Stallings of Leland was ring-bearer. Caleb Long of Ash was Bible-bearer.

A reception in the church fellowship hall followed the ceremony.

After a honeymoon trip to the Outer Banks, the couple will live in Castle Hayne.

Two Chosen For Program At ECU

Two West Brunswick High School students, Darla J. Fox and Melinda S. Keill, have been selected to participate in Summer Ventures in Science and Mathematics June 20-July 27 at East Carolina University in Greenville, N.C.

Offered by the University of North Carolina and administered by the N.C. School of Science and Mathematics in Durham, the six Ventures institutes comprise the nation's largest research-oriented, cost-

free, residential summer program. The program is open to rising juniors and seniors whose parents are North Carolina residents, with selection based on academic ability, science and mathematics motivation and emotional maturity.

Students attend classes, seminars and labs six days a week. Taught mainly by university professors, they learn about experimental design, laboratory skills, instrumentation, mathematical modeling, strate-

gies in problem-solving and exploratory data analysis.

"The institutes challenge students to draw conclusions from data and experiences they acquire independently, rather than simply to review the conclusions of others," said William Youngblood, state coordinator.

They also have a chance to learn about careers in science and math, social issues related to science, and communication skills for math and science competitions.
