Many People Have Moles, Birthmarks or Blemishes

Fortunately, you don't have to live with them.

"The surgery safe enough for her... is also effective enough for you!"

Now there is a safer more effective treatment for moles, birthmarks and blemishes.

With our new Radiosurgery we can now treat moles, birthmarks and other blemishes including small facial veins... effectively and with minimum discomfort. In fact our new procedure is not only effective enough to treat difficult birthmarks in adults, but it is safe enough for young children. For more information or an appointment, simply call us today.
