Cheers Gets Scholarship

Darrell Cheers of Shallotte, who teaches eighth grade horticulture, science and social studies at Shallotte Middle School, recently received a \$500 scholarship from the North Carolina Soil and Water Conservation District Auxiliary. The award is to support his study and teaching of the conservation of soil and water and other natural resources, said presenter Virginia S. Bellamy of Ocean Isle Beach, state chairman of the Auxiliary's Scholarship Committee. Cheers used the scholarship to attend a research course at the University of North Carolina at Wilmington.

Guess Who's Coming Back??
