**West, North Battle To 1-1 Tie**

BY DOUG RUTTER

West Brunswick's Chris Payne scored with about five minutes to play to salvage a 1-1 tie against county rival North Brunswick in high school soccer action last Thursday.

With time running out, Payne won control of a ball that ricocheted off several North defenders directly in front of the goal and bumped it into the lower left corner for his 10th score of the season.

After a scoreless first half, North Brunswick took a 1-0 lead 15 minutes into the second period on a goal off the left foot of Andre Luiz, an exchange student from Brazil.

"I think today they were better than we were," West Brunswick Coach Teak Hemphill said following the match at Shalotte Middle School. "We were lucky to score because our passing was terrible."

Hemphill said the Scorpions have shown more improvement this season than the Trojans. He attributed North's improved play to their participation in the Coastal Plains 1A Conference.

"I think the level of competition

has helped us," North Brunswick Coach Keith Moore admitted. "There's no slouches in that conference."

Moore said he was pleased with his team's effort against West Brunswick. "We played very well. We're continuing to improve and see a lot of good things. We're just trying to get better."

With a stiff wind at their back in the first half, the Trojans squandered several scoring opportunities. West couldn't generate much offense in the second half, when they faced the wind.

North goalie Steve Brigman snatched a sure, first-half goal away from West when a hard shot from the right wing squirted through his hands. Brigman dove on top of the ball as it rolled to within one foot of the goal line.

The tie was the second of the year between West and North, who battled to a 3-3 decision Aug. 26 at Leland.

The Trojans defeated the Scorpions 4-1 on Sept. 13. The final meeting of the year between the teams is scheduled Oct. 26 at North-

west Township Park.

West Brunswick (7-2-2) will host Flora McDonald Academy of Red Springs Thursday before traveling to Wilmington Christian next Monday.

South Brunswick's Cougars (2-6), who lost a 2-1 decision last Tuesday against Wilmington Christian, will visit West Brunswick Oct. 14.

North Brunswick (2-6-2) posted its first conference win Monday, a 4-0 victory over host Topsail.

Steve Sloan scored two goals, and Luiz and Casey McBride had one goal each for the Scorpions. Sloan leads the team with eight goals for the season.

North Brunswick was scheduled to host Southwest Onslow on Wednesday and entertain South Brunswick Thursday. The Scorpions also have home matches next Monday and Wednesday against Dixon and Swansboro.
