Headquartered in Kansas City,

Mo., the AAFP is the national asso-

ciation of family doctors represent-

ing more than 75,000 family physi-

cians and medical students. It was

the pioneer among medical organi-

zations to require its members to

complete 150 hours of mandatory

continuing medical study every

three years.

Truck Winner

Lillian Robinson of Holden Beach is presented the 1993 Ford Ranger pickup truck she won in a promotion sponsored by Jones Stores, Pepsi and Texaco. The summer-long contest ended in September when Robinson's name was drawn from thousands of entries from Jones' locations in the Carolinas. Pictured (from left) are Jeff Creep of Pepsi, Robinson, Ronnie Jones of Jones' Stores and J.P. Jones of Fair Bluff Motors, where the truck was purchased.

BUSINESS BRIEFS

Area Representatives Participate In Cancer Crusade

participating in Avon's Breast Cancer Awareness Crusade, according to Peggy Gibson of Ocean Isle Beach, district sales manager for Brunswick, Columbus and Bladen counties.

The campaign to promote breast cancer education and access to early detection includes sales of breast cancer awareness pins at \$2 each. All profits from the sales will go to education and early detection programs developed by the company in association with the Federal Centers for Disease Control and Prevention, the National Alliance of Breast Cancer Organizations, the National Cancer Institute, the YWCA of the USA and other organizations.

Leading sales representatives in this area include Elloise Hankins of Bolivia, Brenda McLeon of Calabash, Ruth McElveen of Southport and Sarah Malpass of Leland, according to Gibson.

PT Open House

The physical therapy department of The Brunswick Hospital will hold an open house on Thursday, Oct. 28, from 1:30-4 p.m.

The event is open to the public and will include tours of the department. Literature on back care and general information about physical therapy will be distributed. Refreshments will be served.

Additional activities have been planned for that date, including an Ace Bandage race for hospital employees. All scheduled activities are to recognize National Physical Ther-

Authors To Appear

Richard and Barbara Kelly, authors of Carolina Watermen: Bug Hunters and Boatbuilders, have scheduled two local autographing sessions in Brunswick County, according to publisher John F. Blair of Winston-Salem.

They will appear at Lowell's Bookworn in Holden Beach from 2-5 p.m. Saturday, Oct. 30, and from 6-7 p.m. Tuesday, Nov. 2, at Little Professor Book Center in Southport.

Their book tells the story of watermen in the Holden Beach area. It includes a brief history of Holden Beach and the story of boatbuilding and shrimping in the area.

The Kellys have been regular vis-

Designers Certified

Two Brunswick County building designers have recently earned the designation of Certified Professional Building Designer (CPBD), announced the North Carolina Society of the American Institute of Building Design.

Institute professional members Jack Scarborough of Shallotte and J. William Dalrymple of Leland

earned the status upon the successful completion of a twoday national examination administered by National Council Building Desig-Certifica-

SCARBOROUGH

Scarborough is employed with Houston and Associates, P.A., in Shallotte, and Dalrymple is employed with Residential Designs East in Leland.

The American Institute of Building Design is a nationally recognized association of professional building designers. Its prime objectives are to create unity in the building design field nationally; to develop new, improve design educational standards and methods; to encourage interprofessional relations among designers; and to promote research into the aesthetic and technical aspects of the profession.

M.D. Attends Assembly

Dr. Charles J. Savarese Jr. of Shallotte attended the 45th annual Scientific Assembly of the American Academy of Family Physicians (AAFP) in Orlando, Fla., Oct. 7-10.

More than 5,000 family physicians from around the country attended the continuing medical education meeting.

Subjects covered in this session were health care reform, managed competition, wilderness medicine, teenage pregnancy, medical ethics

The bonds are being issued to achieve, in effect, a refinancing of

two issues of the town's outstanding

sanitary sewer bonds, dated June 1,

1985, and June 1, 1987, issued at net

interest costs of 9.5246 percent and

Deeds Office Reports Collections

More than \$210,007 in revenue was collected by the Brunswick County Register of Deeds office during July, August and September, according to a report.

Filings for the quarter included 1,724 deeds, 1,338 deeds of trust, 93, plats, 318 financing statements, 1.053 deed of trust cancellations, 1,225 miscellaneous recordings and 86 marriage licenses.

A total of \$145,648 in excise tax was collected. Half of those funds, minus two percent for handling, or \$71,377 was sent to the N.C. Department of Revenue.

Half the fees collected for marriage licenses, or \$1,720, was remitted to the department of administration for the domestic violence center fund, which helps support Hope Harbor Home in Brunswick County. Five dollars of each marriage license fee, or \$430, was sent to the state treasurer for the abused children's

Expenses in the register of deeds office last quarter included \$333 for

telephone, \$350 for postage, \$398 for printing, \$761 for maintenance and repairs to equipment, \$1,695 for departmental supplies, \$4,622 for service maintenance contracts, \$9 for dues and subscriptions and \$651 for travel and training.

Wages are not included in the re-

Total revenue collected by the deparment for the 1992-93 fiscal year was \$658,467, including \$422,512 in excise taxes, \$52,217 for deeds and \$64,066 for deeds of trust. A total of 305 marriage licenses were issued during the fiscal year.

August Construction Nears \$1.1 Million In Brunswick

Permits were issued for nearly \$1.1 million worth of new construction in the unincorporated areas of Brunswick County during August, according to figures compiled by the county planning department.

Seventy permits were issued for mobile homes in August. There were eight permits for other singlefamily dwellings built at an estimated cost of 631,919.

There were no permits issued in August for commercial construction. Among the other permits issued were eight for \$126,596 worth of

additions, five for garages valued at \$74,248 and four for decks or porches valued at \$20,000

There were 372 permits issued by the department during August, including 164 for building, 121 electrical, 37 plumbing and 50 mechani-

During the first eight months of 1993, 2,425 permits were issued, including 569 for mobile homes and 94 for single family homes valued at a total of \$6.6 million. The average value of the homes permitted this year is \$70,452.

If Your Bank Only Lets You Borrow 80% Of Your Home Value, Tell Them You're Moving 100% Of Your Business To Southern National.

Every bank in town is talking about home equity loans and credit lines.

Unfortunately, most of those places will only give you credit for 80% of your home value. It's like 20% of your hard-earned dollars just

flew out the window.

And you know that in the early years of a mortgage, you're not paying down much principal, so it takes a long time to build up significant

With their 80% rule, you might not even qualify for a credit line.

And even if you have built up a lot of equity, you're losing out on a great deal of your borrowing

But at Southern National, we can show you how to access up to 100% of the equity you've built up in your home. You'll have unparalleled borrowing power, and your interest rate will be just 11/2% over the prime rate, which means you can borrow right now for just 71/2% APR*.

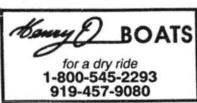

So don't get short-changed. Stop in and pay us a visit. And get all the credit you deserve.

Now, Get More Borrowing Power And Pay Just 71/2% APR*.

WHY SETTLE FOR 80% OF YOUR HOME VALUE, WHEN WE **CAN GIVE YOU 100%?**
