TOWN OF OCEAN ISLE BEACH BOARD OF ADJUSTMENT HEARING
December 14, 1993

There will be a Board of Adjustment Hearing held on Tuesday, December 14, 1993 at 8:30 a.m. at Town Hall to hear the following cases:

(1) An appeal to the Board of Adjustment by Charles A. Adams, Jr. and Stuart Cooke seeking a variance from the zoning ordinance requirement that single family lots require 5000 square feet of land before a building permit can be issued. The appellants allege that their property located at Lot 4, Block J, Section D does not meet the minimum square footage requirement and that a variance from said requirement should be granted. A copy of the variance request is on file with the Building Inspector for review.

(2) An appeal to the Board of Adjustment by Bob and Cathy Brown seeking an interpretation of the zoning ordinance, specifically Article V, Section A, No. 3 which requires structures to be placed twenty-five feet from the lot lines. The appellants contend that said setback is a minimum setback as opposed to an "exact" setback and seek interpretation from the Board of Adjustment. A copy of the appeal is on file with the Building Inspector for review.

The appeal process is an open hearing, but public comment is not allowed.

Debbie S. Fox
 Chairman, Board of Adjustment
