Effective November 14, 1993 North Carolina Has A New Area Code—910

What Will Stay The Same?

Despite the change, much will remain the same:

- No change in local 7-digit telephone numbers
- No change in local rates or charges
- No change in local calling areas
- No change in Area Code 704

There's A Three-Month Transition Period

You will have a three-month transition period for the new 910 Area Code.

Starting November 14, 1993, you will be able to dial either the 910 or 919 Area Code to reach long distance numbers in the new 910 area.

Beginning February 13, 1994, only the new 910 Area Code can be used to reach numbers in the 910 area. After that, you'll get a recording if you dial 919 by mistake. The recording will ask you to dial the number again using the 910 Area Code.
