Prepare For EMT Basic Certification Or Renewal

A single class that begins Dec. 18 at the Brunswick County Emergency Services Center offers preparation for basic emergency medical technician certification or recertification.

Registration will be at the first class meeting.

Taught by paramedic Glynn Lookbill, the class will meet Saturdays and Sundays from 8 a.m. to 12 noon and 1 p.m. to 5 p.m., to prepare students to take the state examination on April 23, 1994.

The emergency services center is located at the Brunswick County Government Center near Bolivia.

"This is the last opportunity for individuals to take EMT basic recer-

tification program for the next two years due to the switch to four-year certifications," said Eddie Brown, assistant county director of emergency medical services. "This is an unique advantage of these classes."

For more information contact Vickie Hardee, a BCC continuing education director, at 754-6900, 457-6329 or 343-0203, or Brown at 253-5383.
