Whiteville's Curtis Norton hit two three-pointers at the start of the second half to lead the Wolfpack to a 45-40 high school boys' basketball win over South Brunswick last Tuesday.

The Cougars used their four-corners offense to slow down the Wolfpack in the first half, and the score was 16-16 at intermission.

Whiteville outscored South Brunswick 18-13 in the third quarter, and that was the difference in the ball game.

Jablonski Moore led Whiteville with 16 points and Norton finished with 10. Antoine Johnson and Scooter Moore scored 14 points

each for the Cougars.

Whiteville improved to 9-1 in the Waccamaw Conference and 16-4 overall. South Brunswick dropped to 1-8 in league play and 5-14 for the season.

# West, South Hunting New Football Coaches

West Brunswick and South Brunswick high school officials will have their athletic director/head football coach positions filled within the next three weeks if all goes according to plan.

Principals at both schools said they will start interviewing applicants this week or next and hope to make recommendations to the Brunswick County Board of Education at its March 14 meeting.

West Brunswick is looking to replace Jim Brett, who has announced his plans to leave Shallotte at the end of the school year to take over as athletic director and head football coach at Northern Nash High School.

South Brunswick is looking to fill the vacancy left by Bill Hewett, who resigned last month following charges that he assaulted two female students. The cases are scheduled for court next Monday, Feb. 28.

West Brunswick Principal Ed Lemon said the county received approximately 75 applications. Some applied for the position at both schools, while others applied for the job at West or South only.

Lemon said he and Brett have narrowed the field to seven applicants to be interviewed for the West Brunswick job. The principal said the finalists have "outstanding" resumes and all but one is from North Carolina.

"There are a number of good applicants and big-time winners," Lemon said Tuesday.

South Brunswick Principal Sue Sellers said Monday the school had a "very good response" from applicants and she hopes to start the first round of interviews within a week.

"I'd like to have a decision by the next regularly-scheduled school board meeting (on March 14)," she said. "If we haven't gone through the interviews by then, I'm not going to feel compelled to make a decision."

Sellers said the timing of the decision will depend on how many people are interviewed and the availability of the people to be interviewed.
