BLUE-RIBBON WINNERS in the Brunswick Extension Homemakers Cultural Arts Show display their ribbons and handiwork. Pictured are (back row, from left) Clara Schuster, Eleanor Hoff and Deraline McAllister. Seated are Pat Nash and Julia Bailey.

Ribbons Given In Arts Competition

Five blue ribbons were awarded March 24 to winners in the cultural arts competition sponsored by the Brunswick County Extension Homemakers.

Judging took place in the extension office in Bolivia and was followed by a luncheon prepared by members of the five Brunswick County Extension Homemaker clubs.

Deraline McAllister of the Supply club earned her ribbon for a needlepoint on plastic canvas cover for a tissue box.

A "Lady's Fan" quilt earned a blue ribbon for Julia Bailey of the Boiling Spring Lakes club.

Clara Schuster's woven placemats and Pat Nash's plastic canvas with needlepoint of a baby organizer

brought two more ribbons to the Supply club.

Eleanor Hoff of the Beachcombers club won her ribbon with a handwoven "Pat's Picnic Basket."

There were a number of other entries in the competition. In addition to the five blue ribbons, five red second-place ribbons and seven white third-place ribbons were awarded.

Bailey's quilt will be on display at Quilt Show '94 to be held at Shallotte Middle School Saturday, April 9, from 10 a.m. until 5 p.m., and Sunday, April 10, from 1-5 p.m.

Hoff also will have a quilt on view, and many other quilts in many designs and colors will be shown.

Cobb Serving On Saratoga

Petty Officer 2nd Class Craig A. Cobb is serving aboard the aircraft carrier *USS Saratoga*, currently stationed off the coast of the former republic of Yugoslavia.

Cobb is the son of Patricia Ann Grissette and a 1984 graduate of West Brunswick High School.

The ships of the Saratoga Joint Task Force group left their East Coast homeports in early January.

"I feel proud knowing that I am part of a team that is helping others," said Cobb.

The *Saratoga*, according to a Navy news release, is a "floating airport with its own supporting city," capable of making 120 take-offs and landings per day. "With more than 5,000 beds and a restaurant that serves more than 20,000 meals a day, the ship also operates its own radio and TV station, bank, shopping mall and laundry service."

Cobb, a radioman, is a member of the *Saratoga* team who works in the carrier's communications department as a technician control supervisor in charge of communications for the ship, the aircraft wing and the admiral's staff.

When the *Saratoga* returns home in June from her 22nd deployment, the 38-year-old carrier is scheduled for decommissioning in August.
