## SPORTING SCENE Trojan Football Team Joins UCB Jamboree

West Brunswick's Trojans, winners of two consecutive state high

school football championships, will participate in this year's United Carolina Bank Football Jamboree.

This will be West Brunswick's first year in the annual scrimmage at Legion Stadium in Wilmington. South Columbus also will appear at the UCB Jamboree for the first time

The Trojans and Stallions will join six other schools that have

competed in the Jamboree since its inception in 1987. The eighth annual event is planned Friday, Aug. 19. "These two schools were chosen because of their rich football traditions and because of their community support to this program," according to a UCB news release.

The Jamboree is a series of four separate scrimmage games. This year's event will pit four Waccamaw Conference teams against the three Wilmington schools and Wallace-Rose Hill.

In the opening game, New Hanover will face Whiteville. West Brunswick will take on Wallace-Rose Hill in the second scrimmage, followed by Hoggard versus South Brunswick. Laney will battle South Columbus in the finale.

The cheerleading competition among the eight schools will start at 6 p.m., and the scrimmages will begin at 6:45 p.m.

United Carolina Bank pays all expenses associated with the Jamboree, and the eight participating schools will share all gate receipts.

The money will be used for student scholarships, cash awards to the winners of the cheerleading competition and the general athletic fund of each school. In the last seven years, a total of \$96,880 has been distributed to the participating schools.

#### Team Of The '90s

You hear the phrase "Team of the 90s" often in world of sports. Among others, it has been used recently to describe the Chicago Bulls of the NBA and Dallas Cowboys of the NFL.

Add North Brunswick High School's softball team to the mix. The Lady Scorpions, in the midst of another fine season, have enjoyed great success in the '90s.

In the last four seasons, North Brunswick has won 46 conference games and lost just 10 with two conference championships during the period.

Another league title is a distinct possibility this spring. North carried a five-game winning streak into the week, along with a 5-0 record in the Three Rivers Conference and an overall mark of 11-3.

#### Ulrich Makes GGO Field

There was a familiar name in the field at last week's PGA event, the Greater Greensboro Open.

Gus Ulrich, the son of Gus and Marit Ulrich of Holden Beach, was one of the tournament qualifiers.

Ulrich shot a 1-over-par 73 in the first round at Forest Oaks Country Club and posted a 76 in Friday's second round to miss the 36-hole cut by four strokes

The GGO was the second PGA event for Ulrich, who mainly plays mini tour events. Two years ago, he qualified for a PGA tournament in Williamsburg, Va., and also missed the 36-hole cut.

Incidentally, there is a golfer named "G. Ulrich" listed on the leader board of a golf video game I play now and again when I visit North Myrtle Beach.

I'm thinking it must be Gus. There can't be that many Ulriches who play professional golf.
