To make a lasting difference in people's lives and their housing conditions is a major challenge. Over 500 volunteers and contributors accepted the challenge, realizing Habitat For Humanity is not a "give away hand out," but a "helping hand ministry." What a difference they made in just one weekend! You too can begin ensuring that in Brunswick County, deserving, responsible and qualifying families can afford to buy and live in decent housing. Learn more about how you can help. The door is open.
-Bill Bright, Chairman
