### Shriners' Special Guests

Fourteen-year-old Johnny White of Ash and master Cajun cook and storyteller Justin Wilson smile for the camera at Saturday night's festivities during the fifth annual Shriners Crippled Children's Golf Tournament at Sea Trail. Johnny has made 38 trips to the Shriners' Crippled Children's Hospital in his fight against cerebral palsy. Wilson, author of numerous cookbooks and star of Public Television's "Justin Wilson's Louisiana Cooking," entertained a crowd of 350 Shriners and their guests with humorous stories from the bayou. The tourney drew 122 golfers. Winning the grand prize—two round-trip airline tickets provided by USAir—was Carl Fox of Brierwood.

### Sea Trail Pro Wins Open

Sea Trail's Mike Kallam earned bragging rights as the area's top golf pro Sunday, winning the Myrtle Beach Open by five strokes at Colonial Charters Golf Club. Kallam fired a 3-under-par 69 on Sunday, and combined with a sizzling 67 on Saturday, finished the 36-hole tournament at 8-under-par 136. He won the \$1,500 top prize. Mitchell Morgan of Wedgefield Plantation shot 141 placed second in the eighth annual tournament. Sea Trail's Jonathan York was third at 143, and defending champ John Carney of Brick Landing tied for fourth at 144. Kallam, who moved to Sea Trail in April from Greenville, S.C., had previously won two Carolinas Open titles and three South Carolina PGA crowns.

### Meeting Set On Menhaden

State Rep. David Redwine and local beach town officials are expected to meet Wednesday, Aug. 17, to discuss the towns' request to restrict menhaden fishing off the Brunswick County coast. Representatives of North Carolina's only menhaden operation and two in Virginia also have been invited to the 7 p.m. meeting at Brunswick Community College's administration building teaching auditorium in Supply. Redwine said last week he is bringing the groups together in hopes of resolving the conflict without government involvement. Town boards at Sunset Beach, Ocean Isle Beach, Holden Beach and Long Beach have voted in recent weeks to ask the N.C. Marine Fisheries Commission to regulate menhaden fishing off Brunswick County. Local officials have requested the same rules currently in place in Dare County, where menhaden boats must stay at least one-half mile offshore Oct. 1 through Dec. 31 and 1½ miles off the beach May 1 through Sept. 30. Menhaden boats have been blamed for several local fish spills in recent years, and town officials say the spills are potentially harmful to residents as well as the area's multi-million dollar tourism industry. Jerry Schill, executive director of the N.C. Fisheries Association, urged Long Beach officials last month to talk with the three menhaden companies that fish North Carolina waters instead of seeking government regulations. Through October 1993, Schill said more than 90 percent of the menhaden landed last year by North Carolina's only menhaden operation, Beaufort Fisheries, was caught off Brunswick County.
