Timothy P. Gibble, M.D.

Internal Medicine
Board Certified

An internist specializes in all aspects of adult medical care, from a common cold, stomach or skin problems to chronic illness to intensive care. Internists provide preventive and acute care and many outpatient and inpatient medical needs. Also, they provide diagnostic services and referrals to subspecialists, if necessary.

Susan Gibble, PA-C

Physician Assistant Certified

A physician assistant provides care through assessing, diagnosing, prescribing medications and treatment, ordering diagnostic testing and offering educational needs, always under supervision of a physician.
