

What A Fright!

Older competitors put on quite a show at the Festival By The Sea Halloween Carnival Costume Contest Friday night at Tri-Beach Volunteer Fire Department. In photo above, winners in the 8-12 age group were (from left) Jessica Smith, third place, as an Indian princess; Beau Bond, second place, as a pirate; and Crystal Hoots, first place, as a cowgirl. Below, in the 13-and-up category, winners were (from left) Dane Casper, first place, as a prom queen; Diane Downer, second place, as Mother Goose; and third place, Tommy McKenzie, as a Dolly Parton Troll.

**NOV. 12
Hospital Plans HealthFest
With Information, Testing**

Loris Community Hospital will sponsor "HealthFest '94 on Saturday, Nov. 12, from 8 a.m. until noon at the hospital.

HealthFest will provide opportunities for reduced-fee screenings and information on health and wellness resources in the area.

Free health screening such as blood pressure, pulmonary oximetry, height, weight and posture will be available. Fees will be reduced for CBC (complete blood count), PSA (prostatic specific antigen), Panel 18 (18 different blood tests) and pap smears.

Those planning to have laboratory blood tests done should fast for 12

hours prior to the test to get accurate results. Only sips of water are recommended. Diabetics should bring food or juice to take immediately following the tests. Those currently taking any type of medication should consult a physician before having tests performed in order to understand the effects the medication may have on the results.

Information booths will be set up with information about hospital services, departments and activities.

Early registration for blood work begins Monday, Nov. 7. To register, call (803)756-9227.

For more information, call the Community Relations Department of the hospital at the same number.
