Woodmen To Firemen

Larry Heustess and Jimmy Marshall (from left), representing Woodmen of the World Lodge 160, present a new American Flag to Chief Roger Suggs and Bill Caudill of the Supply Volunteer Fire Department as part of a Veterans Day observance last week. The ceremony was held at the Veterans of Foreign Wars Post 8866 near Holden Beach.

United Way Grant To Provide Transportation In Brunswick

An \$8,000 grant from Cape Fear Area United Way will help provide transportation to Brunswick County clients of the Southeastern Center for Mental Health, Developmental Disabilities and Substance Abuse Services.

"The center has identified at least 75 Brunswick County clients who would benefit from the transportation services," a United Way news release states. "At this time there are no resources to provide free transportation to these clients who cannot afford to pay for transportation."

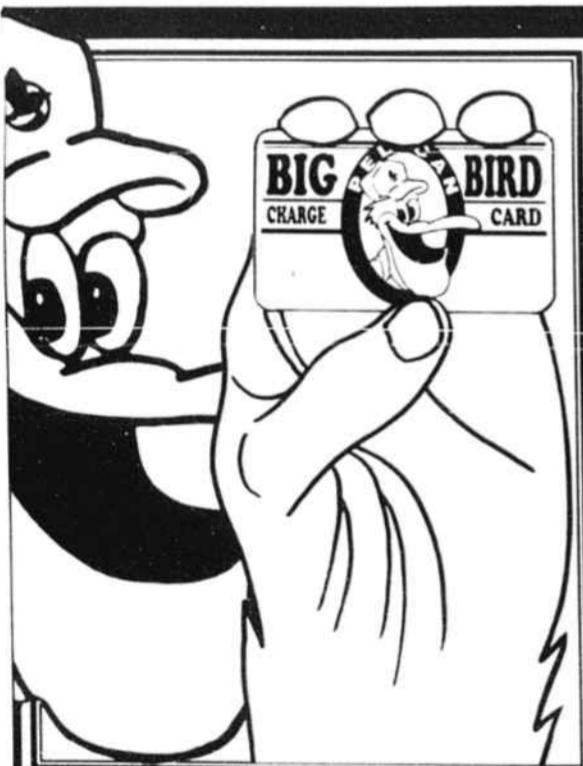

The allocation came from a total of \$23,045 in United Way funds for three human service programs.

The Salvation Army will receive \$7,500 to expand its soup line from five to seven days per week. "At this time there is no place in Wilmington where a person without a home can get a free meal on Saturdays and Sundays. One agency has been providing a meal on Saturdays, but no on Sundays. The Salvation Army expects at least 40 people per day on Saturdays and

Sundays."

The Wilmington Family YMCA will receive \$7,545 to fund its Youth Fitness and Anti-Drug Program. The funds will be used for a 10-week pilot program after which it will be funded by the YMCA, Wilmington Police Department and Wilmington Housing Authority. Some 75 youths ages 13 to 16 will be transported from a public housing project to the YMCA on Saturday nights for programs and activities.

In addition, four new programs will be funded in the amount of \$31,956. The allocations will include \$15,024 to Catholic Social Ministries to help fund a counseling/case management program for Hispanics; \$12,000 to Senior Citizens of Pender County to expand its In-Home Aide Services Program to elderly clients with low incomes that are too high to qualify for Medicaid; \$2,466 to Brigade Boys Club to expand programs to teenage girls; and \$2,466 to Community Boys and Girls Club to help with expansion costs to make its programs available to girls.
