

## Donations Requested For Sign

Shalotte Middle School Parent-Teacher Association is seeking donations from local businesses and civic groups to erect a new sign with lighted marquee in front of the school and perpendicular to Village Road.

The proposed sign, whose cost is estimated at \$5,000, would "celebrate the school and school events," said Principal Sandra Robinson.

The sign would have eight permanent sponsor sections—four on each side. Businesses who donate \$500 would receive a permanent sponsor section. All donations will be recognized in the parent newsletter mailed to the homes of nearly 900 students, Robinson said.

Contributions are tax-deductible. For information, call the school at 754-6882.
