BIBLE THOUGHT FOR WEEK

THIS IS GOD'S WORLD: The earth is the Lord's, and the fullness thereof: the world, and they that dwell therein.—Psalms 24:1.

A GREAT BENEFIT

Of all the efforts which have been made to aid the farm family, many of which have been helpful, some in greater and some in less degree, there has probably been nothing to compare with the movement to give to the farmer's family the benefit of electricity.

Through the efforts of L. W. Anderson, County Agent, with the cooperation of the farmers of the various communities, the third rural electric line is being run in Perquimans. Along these lines most of the farmers have taken advantage of the opportunity to avail themselves of this great labor-saving and comfort giving improvement.

For electric current not only makes it possible to carry on the work of the farm household with more ease, it brings into the home so much of comfort for every member of the family that adds a zest to living and makes for the happiness of all.

The home is brilliantly lighted at the press of a button and no longer is it necessary to clean and fill the kerosene lamps each morning. Washing machines, electrically driven, save back-breaking labor, irons heated by electricity make the work of ironing so much easier and more pleasant. Many other appliances which save labor may be used. Both the electric refrigerator and the electric range are a joy in the home.

But perhaps the thing which brings more a pleasure to every member of the family when electric current is available is the electrically driven pump which makes running water possible in the house.

That so many farm homes in Perquimans are now enjoying the benefits of electricity is a thing to be grateful for. May the time come when electric current is available for every farm family.

shown, with Warner Baxter and Wallace Beery as co-stars in a pulsing tale of the slave-trading era, with Elizabeth Allan and Mickey Rooney among those on the boat.

This picture has been described as the most colorful role of the colorful career of Warner Baxter playing Capt. Jim Lovett, romantic scourge of two seas, who defies the navies of the world, is betrayed by a shipmate and fights at last for love in the greatest sea adventure of them all.

State Theatre News

By A. S. F.

Many of the folks who attended the picnic on Wednesday enjoyed the matinee at the State in the afternoon.

Today Charlie Ruggles, Johnny Downs, Eleanore Whitney, Ben Blue, Phil Harris and His Orchestra and scores of other top rate entertainers will be shown in the screen's best musical comedy, "Turn off the Moon."

There are a lot of good shows on during the next week. "It Happened out West", which will be shown on Saturday, is a gay and amusing adventure romance of a dude from the East who meant danger to the tough hombres from the badlands, but who didn't know it. Paul Kelly is cast in the role of a trouble shooter for a trust company assigned to persuade Judith Allen, a headstrong young heiress, from squandering her inheritance on a scheme of turning her ranch into a dairy farm, and at the same time to protect her from the menace of the gun-toting band of Western bad men who wish to wrest her land from her.

Louise Rainer, who played the part of Anna Held in "The Great Ziegfeld", takes the part of the Countess Mironova a noblewoman and a spy in Metro-Goldwyn Mayer's new picture "The Emperor's Candlesticks", which is coming on Monday and Tuesday. The Countess goes to jail and there is traced by William Powell, himself a spy, in this amazing story of international intrigue from the novel by Baroness Orczy, pronounced Orchy. The stars are surrounded by a brilliant supporting cast. Prominent among them are Robert Young, Maureen O'Sullivan, Frank Morgan, Henry Stephenson and Bernadine Hayes.

"There Goes My Girl" is the attraction on Wednesday night prize night. Torn between her love for a rival sporter and her zest for headline hunting, pretty Ann Sothern wrestles with the marriage problem. Miss Sothern is co-starred with Gene Raymond for the fourth time in this fast-paced comedy. Each time they plan to marry, a hardboiled city editor interferes with their plans. There are two murders, one a hoax, the other real, in the course of the story, which has embolus qualities of both mystery and romance. On Thursday "Slave Ship" will be
