From where I sit... by Joe Marsh
Silas Clay Gets Mad at Women's Hats
Silas Clay is complaining that his wife's new hat cost more than a bull calf. "And I wouldn't mind it, if it was a hat," he says, "but all it is, is a small bow and a piece of feather."
"From where I sit, Doc has given us a mighty good definition of morale. Important little things. A flower in your buttonhole... a kind word from a stranger... a mellow glass of beer with friends. Little things especially important in these days of strain."
Joe Marsh
