

With Perquimans Boys In Service

Dear Max:
I've been receiving your paper now for some weeks, without knowing whom to thank for it. Will you give the subscriber my sincerest appreciation for the thoughtfulness. Never has The Perquimans Weekly been more interesting than it is to me now. I've been away long enough to get out of touch with the goings-on around here and the old "sheet" is a great refresher. Through it I have been able to get a fair picture of the changes I'll run into when I return, which, with luck, won't be many months hence. God speed that day.
Best wishes to you and yours, and tell Charlie Williford I read where his car had a mishap... he'll have to allow for more "drift" in the future.
Your friend,
JIM NEWBY,
(J. E. Newby, C Sp)
Dear Jim, and All You Other Fellows:
Thanks for your good letters. Always glad to hear from you and the folks back here tell me they thoroughly enjoy reading your letters in The Weekly.
To all you fellows who don't know... the paper is being sent to you by the Hertford Bank, with the hopes that it will help you to keep up with the "Old Home Town" and your friends, and to help you pass what leisure moments you might have.
Here's hoping that all of you will soon be coming home.
Best Wishes,
THE EDITOR.

Dear Editor:
I really appreciate the kindness of the Hertford Bank for sending me The Perquimans Weekly, as it helps me keep in touch with what is going on around home.
I learned a lot from it. It's really a great paper, as you know, no matter how much mail you receive, you never get all the news when you are a long way from home. It makes me think some one hasn't forgotten the service man. Thanking you again for the favor, I remain,
WILLIE LILLY.
APO 93,
San Francisco, Cal.

The Perquimans Weekly,
Hertford, N. C.
Editor:
Please let me take this opportunity to thank you and the Hertford Banking Company for The Perquimans Weekly. I would like, also, at this time to tell you how much I enjoy reading about my friends and buddies in other parts of the world. I'd also like to say "Hello" to all my friends wherever they may be.

I've been overseas nearly sixteen months and with over a year in the South Sea Islands. Therefore, I hardly need tell you how much I would enjoy a Saturday afternoon in Hertford.
I'm very glad, also, to say that I'm not only a soldier of my country, but also of the Lord. I'm sure things would have been a lot different if I had not looked toward my Savior for help and guidance. Also happy to say that I'm enjoying life and Christian fellowship.

I've meet Christians from all over the States and from all denominations. Thank God for the love that binds them all in the fellowship of the Lord.
We Christian Soldiers appreciate the many prayers ascending to the Throne of God daily in behalf of all servicemen. I'm glad that God has seen fit to answer their prayers.
I'm sure that it will be of interest to many to know we are in the midst of a mighty revival here in the primitive jungle. God is in our midst, the gospel is being preached in its fullness. In the past four weeks there have been over seventy-five who accepted Christ as their personal Savior. Some of these have been baptized in the tropical sea.

On several occasions it has been my privilege to preach along with my other Christian work while at A. P. O. 928 a group of we Christian boys in other than working hours built a nice little chapel. I'm enclosing a history of this chapel. I would appreciate it if you could find space in The Weekly to print it. Thank you.
Again thanking you for the paper, I am,
Sincerely yours,
Sgt. C. GILBERT CHAPPELL,
11th Special Service Co., 3rd Plt.
A. P. O. 565, c-o P. O.
San Francisco, Cal.

Dear Sir:
I just want to take this time to thank you and all who had any part in sending me The Perquimans Weekly. I would have done this sooner, but so many times I was out on duty too far to get my paper, or send a letter, but I'd get them all when I'd get in and would enjoy them all so much. It was always a great pleasure to get them and read about home folks when one is so far away. I think of you all and hope the time is not far distant when we will all be able to go back home, a job well done. We are doing our best to win the victory and come home with flying colors and a song of gladness in our hearts, with great thanks giving. Thanking you all again.
Respectfully,
J. RUPERT BANKS,
Petty Officer, First Class, U. S. N.

Mr. Max Campbell, Editor,
The Perquimans Weekly,
Hertford, N. C.
Dear Max:
Have received The Perquimans Weekly several times and hope you can continue sending it often. Sure would like to be back in the old home town of Hertford.

I've seen two Perquimans County boys over here, William Landing, Jr., and Haywood B. Umphlett. It was good to see some one from home. Will be glad when I get back to the good old town of Hertford. Tell the folks Hello. I am getting alone fine, and hope my next move will be back to good old North Carolina.
Thanks. Hope you and all the home folks are getting along fine.
Yours truly,
HAYWOOD S. UMPHLETT.
Hawaii,
August 31, 1944.

Dear Editor:
I want to express to you and my friends how much I appreciate your paper. I have been over seas over two years and am now somewhere in France. Of course, I get lots of nice letters, but they can't help me in knowing how Hertford is getting along and where the people have gotten to since the war as your paper does. It seems the longer I am away the more I enjoy The Weekly.
We hope this war will soon be over and we can be back home again. But until then, I will look forward to each week's copy of The Perquimans Weekly.
Sincerely,
Wm. E. LANE.

ENTERTAINS DINNER GUESTS

WHERE "BLOCK BUSTERS" ARE BORN

Fractionating towers for producing Toluene at a Sinclair Refinery

TOLUENE puts the knock-out punch in TNT, and it is TNT that gives bombs, "block busters", sea and land mines their destructive power.
Sinclair makes great quantities of Toluene from petroleum in these newly completed fractionating towers at its refinery at Marcus Hook, Penna.
To supply our boys who are doing the fighting, Sinclair makes not only Toluene, but also components for synthetic rubber, 100 octane aviation gasoline and a long list of fuels and specialized lubricants. Altogether, 10 modern Sinclair refineries are turning out products for war-front and home-front use.
SINCLAIR DEALERS do their part by keeping war workers' cars, delivery trucks and other vitally-needed vehicles on the job. Let a Sinclair Dealer care for your car, too.
