**A Local Lady Spit Up Acid Liquids For Hours After Eating**

For hours after every meal, a Hertford lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloating, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her. No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all Drug Stores here in Perquimans County.

**Kidneys Must Work Well—**  
For You To Feel Well  
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.  
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.  
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.  
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
