# We Are Celebrating Our 32nd Anniversary

## W. M. Morgan Furniture Store

1914 - 1946

This week, while we are celebrating our 32nd Anniversary, we want to extend to our friends, neighbors and patrons our deep appreciation for your past patronage. It has enabled us to build up our store through the years. When we first opened our store in Hertford we succeeded in selling and satisfying papa, and then daughter, and now we are happy that we are serving the daughter's daughter of the third generation. Without your patronage we would not have been able to enlarge and grow into the splendid business we operate. We wish to offer you our thanks.

In celebrating our Anniversary in past years we have offered you many special sales. Because of conditions this year this is impossible, but we have just received a substantial amount of some very hard-to-get items and we are pleased to announce these to you. The items include:

- WOOD BEDS METAL ICE REFRIGERATORS FINEST SOFT BEDS
- A BEAUTIFUL LINE OF LACE CURTAINS COAL AND WOOD HEATERS
- COAL and WOOD COOK STOVES and RANGES HAMMOCKS HAMMOCK STANDS

Regarding electrical appliances, we want to say that we have been receiving a few radios and other electrical appliances in small quantity, but we have delivered them as soon as they arrived to customers who had placed orders a long time before items arrived. It will pay you to have patience and wait and buy an advertised make from a responsible manufacturer, through us, rather than pick up the first items you can get... then be sorry later. Come in and talk with us about new electric refrigerators and wash machines and radios... we will gladly take your order and place you on our list for delivery as soon as items come through.
