**Kidneys Must Work Well**  
 For You To Feel Well  
 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.  
 If many people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.  
 Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer aching backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.  
 Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
