## Forty-three Report For Grid Practice At Perquimans High

### First Game Two Weeks From Tonight With Columbia Eleven

Football practice opened at Perquimans High School Monday afternoon with forty-three candidates for the team answering the call issued by Coach Max Campbell. Light drill work was the order of the day, with uniforms being issued on Tuesday afternoon when the squad began more rigid practice.

The names of the candidates reporting Monday included Chester Winslow, Emmett Elmore, Bobby Holmes, Cecil Winslow, Tom Perry, Carlton Hurdle, Earl Winslow, Jack Symons, Bobby Keaton, Bill Elliott, John Hunter, Bobby Jordan, Jimmy Sawyer, John Ward, Dan Berry, Josiah Smith, Paul Russell, Edward Lane, Kermit Lane, R. Kirby, Howard Pitt, Eugene Gregory, Howard Broughton, L. P. Jordan, L. C. Elliott, B. Layden, Bill Boyce, S. Layden, Reginald Tucker, B. C. Berry, E. Eure, Nathan Spivey, C. Robertson, Colon Butler, Jack Hoffer, J. Simpson, B. Sawyer, Carlton Eure, Richard Futrell, P. Sutton, J. Umphlett and A. Benton. More than half of this group saw action in games played last year, and prospects for this year's team appear good, although Coach Campbell stated several changes in the team may be made before a starting lineup is selected for the opening game.

The first game of the season will be played here on Memorial Field two weeks from tonight, on September 20, with Columbia High School furnishing the opposition for the Indians. This game will be followed by three more home games before the Indians play away from home.

Practice sessions for the Indians will continue each afternoon, with several night practices to be called during the next two weeks. C. E. Woodard, principal of the high school, has announced each boy will be given a thorough physical examination by the Health Department before being permitted to play football during the season.

Season tickets for the six home games to be played this season will be placed on sale some time next week. Students of the high school will have the tickets and make a canvass of fans desiring to purchase the season tickets.

## Hertford Building And Loan Adopts New Loan System

Members of the board of directors of the Hertford Building and Loan Association have adopted a new loan plan to be placed into effect by the local association in the near future, according to an announcement made this week.

The new plan, recommended to the association by State auditors, will call for direct reduction of all loans rather than the old system whereby borrowers purchased stock in the association and repaid loans through the payment on stock.

The plan will not change the basic system of the Building and Loan nor affect the saving stock issued by the association. It will, however, effect a savings to borrowers having loans with the association.

Max Campbell, secretary of the association, stated that all loans now in force and held by the association will be changed over to the new plan as rapidly as possible, probably within the next sixty to ninety days.

A report by the State auditors showed that current interest being paid by the Hertford Building and Loan Association on share stock was slightly greater than four per cent.

Mr. White has served as superintendent of the home for the past several years and the operation of the home under his supervision has met with approval and success.

The Board discussed the lack of adequate highway improvement and maintenance in the county and advised J. W. Ward, secretary of the Board, to lodge a protest with the State Highway Commission regarding road conditions in this county.

## Nachman Rites Held Sunday Afternoon

Louis Nachman, 56, widely known resident of Hertford, died last Saturday morning at 12:05 o'clock in a Norfolk hospital after an illness of six weeks. A native of Great City, S. C., he moved to Hertford about 25 years ago, and became engaged in business here. For the past number of years he represented a nationally known mercantile company and traveled throughout North and South Carolina and Virginia.

A member of the Methodist Church, Mr. Nachman was active in civic affairs and always interested in the advancement of his home town. His friendliness to neighbors and strangers alike was an outstanding virtue.

Funeral services were conducted at 4 o'clock Sunday afternoon at the Hertford Methodist Church by the Rev. B. C. Reavis, under the direction of the Lynch Funeral Home.

The choir sang "Rock of Ages" and "Abide With Me."

Surviving are his wife, Mrs. Viola Nachman; two sons, Louis Nachman, Jr., of Hertford, and Henry Nachman of Richmond, Va.; three daughters, Mrs. Fred Morrill of Greensboro, Mrs. Rex Stephenson of Raleigh and Mrs. Ernest LaBelle of New Haven, Conn.; three sisters, Mrs. S. Wolfe of Albemarle, Mrs. J. M. Krautz of Greensboro and Miss Rachel Nachman of Greenville, S. C.; two brothers, Dr. Mordecai I. Nachman of Greenville, S. C., and Horace Nachman of Lake City, S. C., and two granddaughters.

Interment was in Cedarwood Cemetery.

## Sugar Stamp Extended Through Next Month

Spare stamp No. 49, good for five pounds of sugar and scheduled to expire last Saturday night, continues good throughout September because of the shortage of sugar in some areas due to mal-distribution, OPA District Director Theodore S. Johnson explained.

At the same time, he announced that spare stamp No. 51 became valid Sunday, also for five pounds, in line with the regular ration pattern followed for the past several months. This stamp continues good for the balance of this year, he said, adding that uncertainty about the extent of the coming Cuban crop makes it impossible to increase the present sugar ration.

Johnson also announced that OPA district offices now have authority to close the ration bank accounts of wholesalers and retailers who overdraw their sugar accounts and thus temporarily obtain more than their fair share of this scarce commodity. This closing of a seller's ration bank account will not prevent OPA from taking necessary enforcement action against any violator of ration regulations, Johnson said.

## Revival Services Closed At Anderson

Revival services at the Anderson Methodist Church were held last week with the Rev. B. C. Reavis of Hertford doing the speaking. One new member was added to the roll by transfer from the Hertford Methodist Church.

A visitation campaign is expected to add other new members to the roll.

### EASTERN STARS TO MEET

The Hertford chapter, No. 137, Order of the Eastern Star, will meet Monday evening at 8 o'clock at the Court House.

## Program Opens With Parade at 2:30 P. M.; Speaking and Feed at Memorial Field

F. T. Johnson, chairman of the Program Committee for the veterans' homecoming day to be staged in Hertford next Wednesday afternoon and evening, announced today that Roy McMillan, former State Commander of the American Legion and past national vice commander, had been secured to deliver the principal address for the occasion.

The program for the day calls for all veterans to meet at the Hertford Grammar School at 2 o'clock Wednesday afternoon, from which point the big parade will begin. The parade will follow a route down town, then out to Memorial Field, where all activities will take place with the exception of the street dance to be held Wednesday evening.

The welcome home address will be given at about 3:30 and this will be followed by a barbecue feed for all veterans, their families and families of boys still in service.

The speaker will be introduced by Major W. H. Oakley.

A free baseball game has been planned to follow the feed and arrangements for this game are expected to be completed by Monday. Following the baseball game the veterans, their families and the public will be invited to return down town for the street dance.

The parade, expected to be the biggest ever staged in Hertford, will include veterans of both World Wars I and II, vehicles, army jeeps and other floats and will be under the direction of the committee headed by Roulac Webb.

The refreshment committee, charged with feeding vets and their families, have about completed all arrangements for this job. The committee is headed by V. N. Darden and includes W. G. Hollowell, Cecil White, Mrs. R. R. White, Mrs. Frances Maness, R. C. Murray and Sam Hourmanis.

The committee in charge of the street dance is composed of Jack Winslow, Jesse Lee Harris and Clarence Phillips.

Written invitations for the homecoming are being mailed veterans this week by the Wm. Paul Stallings Post of the American Legion, but a spokesman stated that some veterans may fail to receive an invitation due to changes of address, but those who are missed are asked to attend the party even though they fail to receive the written note.

## Possibility Looms Of Greatest Polio Scourge In History

### Nationally, Cases This Year Exceed All Previous Figures

The nation right now is experiencing what may prove to be one of the largest polio epidemics in the second history of the disease in this country. This is made known by Dr. T. P. Brinn, chairman of the Perquimans County Chapter of the National Foundation for Infantile Paralysis.

"So far this year," Dr. Brinn said, "according to the U. S. Public Health Service, the upsurge of polio cases nationally has exceeded the rise during similar periods ever since infantile paralysis figures have been reported by that agency."

"We cannot tell how severely we may be hit," the chairman said, "but the National Foundation and its chapters are prepared as never before. Long-range planning early this spring now is paying invaluable dividends to meet the present emergency."

"Four polio emergency aid units have been established in cooperation with Stanford University, Harvard University, Northwestern University, and the D. T. Watson School of Physiotherapy."

These units, it was explained, are comprised of an orthopedic surgeon, pediatrician, orthopedic nurse, an epidemiologist and two physical therapists. Upon request of state and local health authorities the units go into epidemic areas, assist in setting up facilities and help instruct local professional personnel in modern methods of diagnosis and treatment of infantile paralysis.

The Harvard unit was summoned to Florida last May. The Northwestern University unit just recently was sent to Peoria, Illinois and it was also pointed out that wherever polio strikes heavily the emergency aid groups are ready for immediate duty.

Chapters of the National Foundation, the chapter chairman stated, "realizing the acute shortage of nurses, are working in close cooperation with the American Red Cross. Salaries, maintenance and transportation of nurses, recruited through the Red Cross for work in polio, are paid by Foundation chapters. Each chapter is fulfilling the Foundation's pledge that no infantile paralysis patient need go without the best possible medical care and treatment for lack of funds."

Should any chapter exhaust its treasury in providing for adequate care and treatment of victims in its area, national headquarters sends in supplementary financial aid, Dr. Brinn said. Services of the Foundation and its chapters are rendered polio patients regardless of age, race, creed or color.

## Four Vets Report At Draft Office

Four veterans reported their separation from the armed forces at the local Draft Office during the past week, according to Mrs. Ruth Sumner, clerk of the Draft Board.

The men reporting were Henry Welch and Edgar Y. Berry, Jr., white, and John Coker and John James, colored.

## THIS WEEK'S HEADLINES

Answering a note sent U. S. State Department by Yugoslavia relative to the shooting down of two U. S. planes and the killing of five U. S. flyers, America told Yugoslav officials this nation expects indemnities for the families of the men killed, as well as payment for the planes damaged. Tito's note to Washington claimed U. S. planes violated his country by making 278 unauthorized flights over the country. This statement was denied by the State Department.

Despite the fact that it was American materials, in the form of planes, tanks, trucks and guns given under lend-lease, that enabled the Russians to stem the tide of the Nazi invasion of their own country, and the fact that Russia entered the war against Japan only after the first atom bomb had been dropped, the Reds this week, celebrating V-J Day, claimed full credit for victory over the Axis powers. According to the official Russian newspapers, no credit was due America, Britain, China or other nations engaged on the side of the Allies for the victories won.

Western democracy won a victory this week in the power-politics game being waged in Europe when citizens of Greece voted for the return of King George II, who left Greece during the war. Russian influences were used to prevent the recall of the king, friendly to England, but the election revealed a two-to-one margin for the king. Violence marked the balloting and more than 40 persons were reported killed during the election.

The Paris Peace Conference remained snarled this week over decisions relative to internationalizing the Italian port of Trieste, and repatriation claims against Italy. An Italian commission stated Trieste would cause trouble between Italy and Yugoslavia, if the conference internationalized the port. Secretary of State Byrnes is expected to speak at Stuttgart, Germany, today, setting forth some important views of the U. S. regarding the peace policies.

## Board Of Education In Meeting Monday

Members of the Perquimans County Board of Education met on Monday morning at the Court House and reviewed final arrangements for the opening of county schools on September 6.

The Board voted that full day sessions would be conducted at all schools beginning Friday morning, and these sessions would continue unless harvest needs in this county became so acute that students were needed to aid in farm work, then a part day session might be arranged.

## Albemarle League Play-offs Taking Place This Week

### Teams Divide First Two Games; Indians Protest Loss

The Hertford Indians and the Edenton Colonials moved to the top of the semi-finals in the Shaughnessy play-offs by virtue of winning two games against one in the tight race for the championship.

Following a league directors' meeting last Saturday night, at which time Elizabeth City was ruled out of a fourth place tie in the final league standings, the play-offs in the Albemarle Baseball League got under way Monday night with Windsor at Hertford and Colerain at Edenton. Hertford lost its opening game by a 9-0 score, but later entered a protest on the question of eligibility of a Windsor player. The league directors failed to take action on the protest at a meeting held in Edenton on Tuesday.

Webb was on the mound for Hertford in the opening game and allowed 14 hits, while Ted Miller, pitching for Windsor, allowed four. An umpire's decision in the seventh inning allowed Windsor to score two runs and probably affected the play for the rest of the game.

At Edenton in the opening game there Colerain, fourth place contender for the championship, turned back the Colonials by a 7-1 score.

The second game of the play-off was held Tuesday, with Hertford at Windsor. The Indians handed Windsor a 2-1 defeat, while Edenton won from Colerain by the one-sided score of 18-4.

Reeves did the pitching for Hertford at Windsor and allowed seven hits, while Hertford collected six off Schultz and Jarlett, Windsor hurlers. Windsor scored their one run in the first, while Hertford scored twice in the sixth. The Hertford runs were made when Kimbrell hit safely and advanced to second when Cayton was safe on an error. Kimbrell scored on a wild throw and Cayton, who advanced to third on a sacrifice, stole home for the winning run.

The winning teams in the semi-finals must take three out of five games to advance into the final play, which will be decided by a team winning four out of seven games.

The third games of the semi-finals were set for Wednesday with Windsor playing at Hertford, while Edenton traveled to Colerain. Bauer was scheduled to pitch for Hertford in the game Wednesday.

## Youth Fellowship Meeting At Winfall
